Re: Request for Correction of Assignment Improperly Filed and Recorded at Reel:
003952 / Frame: 0223
Registration at Issue: 3,442,502
True and Correct Record Owner: Open Invention Network LLC, a Delaware corporation.
Our Ref: 48731.710

Dear Sir or Madam:

This is Open Invention Network LLC's request for correction of an improperly recorded assignment with respect to Open Invention Network LLC's Registration No. 3,442,502 pursuant to TMEP § 503.06(b).

Open Invention Network LLC, a Delaware corporation, has been and continues to be the owner of Registration No. 3,442,502. On March 13, 2009, an assignment was recorded against the registration, and the assignment identified Open Invention Network LLC as, mistakenly, a New York corporation. The cover sheet used to record this assignment electronically via TEAS also listed the new registrant, Open Invention Network LLC, as a New York corporation.

Open Invention Network LLC, however, was organized as a Delaware limited liability company in 2005, and it has always remained a Delaware limited liability company. The original assignment contained a typographical error with respect to the state and type of entity.

I have signed my initials next to an updated copy of the assignment, this time listing Open Invention Network LLC as a Delaware limited liability company.

Per TMEP § 503.06(b), Open Invention Network LLC respectfully submits that the chain of title for Registration No. 3,442,502 should be corrected to reflect that Open Invention Network LLC is a Delaware limited liability company to reflect the true and correct owner.

Declaration

The undersigned being hereby warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements and the like may jeopardize the validity of this document, declares that Open Invention Network LLC, a Delaware limited liability company is the correct owner and Registrant of Registration No. 3,442,502, and that he/she is properly authorized to execute this document on behalf of Open Invention Network LLC, and all statements made of his/her own knowledge are true and that all statements made on information and belief are believed to be true.
