TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment"), dated as of September 30, 2015, is made by ABM Franchising Group, LLC, a Delaware limited liability company with offices located at 501 Technology Drive, Suite 3000, Canonsburg, Pennsylvania 15317 ("Assignor").

WHEREAS, Assignor owns its entire right, title and interest, whether statutory or common law rights, in and to the trademarks and registrations listed on Schedule A (the "Assigned Trademarks"), together with the goodwill of the business connected with and symbolized by the Assigned Trademarks; and

WHEREAS, Assignor is the registrant of record for all domain names listed in Schedule A (the "Assigned Domain Names"); and

WHEREAS, Assignor and CurrentSAFE, LLC, an Ohio limited liability company with offices located at 12225 Market St. North Lima, Ohio 44452 ("Assignee"), are parties to an Asset Purchase Agreement, dated as of the date hereof (the "Asset Purchase Agreement"); and

WHEREAS, in connection with the Asset Purchase Agreement, Assignee desires to acquire, and Assignor desires to assign, Assignor's entire worldwide right, title and interest in and to the Assigned Trademarks and the Assigned Domain Names (together the "Assigned Properties"), and Assignor is willing to assign the Assigned Properties to Assignee.

NOW, THEREFORE, for and in consideration as set forth in the Asset Purchase Agreement, and other good and valuable consideration, the receipt of which is hereby acknowledged:

1. Assignor does hereby sell, assign and transfer to Assignee, the entire worldwide right, title and interest, whether statutory or common law rights, in and to the Assigned Properties and any registrations thereof, together with the goodwill connected with and symbolized by the Assigned Properties, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which the Assigned Properties are granted or reissued or extended as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, as assignee of its entire right, title and interest therein and in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto in and to all causes of action (either in law or in equity) and the right to sue, counterclaim and recover for past, present and future infringement of the rights assigned or to be assigned under this Assignment.
2. The Assignor authorizes and requests that the Commissioner of Trademarks of the United States and other empowered officials in any applicable jurisdictions outside the United States record the transfer of the Assigned Trademarks to Assignee, its successors, legal representatives and assigns as assignee of Assignor's entire right, title and interest therein. Assignor agrees, without further consideration but at Assignee's sole expense, to further execute any documents reasonably necessary to effect this assignment or to confirm

Assignee's, its successors', legal representatives' and assigns' ownership of the Assigned Trademarks.

3. The Assignor authorizes and requests that the appropriate registrar(s) of the Assigned Domain Names record the transfer of registration of the Assigned Domain Names to Assignee. Assignor specifically agrees to initiate, when necessary, any online domain name transfer process to effect the foregoing, and to timely respond to all requests for confirmation of the same.
4. This Assignment shall be governed by and construed in accordance with the laws of the United States of America, with respect to applicable federal law, and the State of Texas with respect to applicable state law, without regard to the conflicts of law principles thereof.

- Signature appears on the following page -

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed in duplicate originals by its duly authorized representative as of the day and year first above written.
