MISCELLANEOUS AND GENERAL

7.1. Payment of Expenses. Whether or not the transactions contemplated by this Agreement are consummated, each party hereto shall pay its own expenses incident to preparing for, entering into and carrying out this Agreement and the transactions contemplated hereby.

7.2. Entire Agreement; Assignment; Etc. This Agreement constitutes the entire agreement, and supersedes all other agreements, understandings, representations and warranties, both written and oral, among the parties with respect to the subject matter hereof, and shall not be assignable without the prior written consent of the other party and is not intended to create any obligations to, or rights in respect of, any persons other than the parties hereto.

7.3. Captions. The Article, Section and paragraph captions herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof.

7.4. Severability. If any term or other provision of this Agreement, or any portion thereof, is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms and provisions of this Agreement, or remaining portion thereof, shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any such term or other provision, or any portion thereof, is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are consummated to the fullest extent possible.

7.5. Modification or Amendment. The parties hereto may modify or amend this Agreement at any time, only by a written instrument duly executed and delivered by each party hereto.

7.6. Failure or Delay Not Waiver; Remedies Cumulative. No failure or delay on the part of any party hereto in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty, covenant or agreement herein, nor shall any single or partial exercise of any such right preclude other or further exercise thereof or of any other right. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

7.7. Counterparts. This Agreement may be executed in the original, by facsimile, by PDF or by any other generally acceptable electronic means in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same instrument.

7.8. Governing Law. This Agreement shall be governed by and construed in accordance with the substantive laws of Switzerland, excluding international treaties such as the UN Convention on Contracts for the International Sale of Goods. Any dispute arising between

the parties out of or in connection with this Agreement, including regarding its existence, validity, interpretation or performance, shall be subject to the exclusive jurisdiction of the competent courts of the Canton of Vaud.
