INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT (this "Assignment"), by and between August Home Publishing Company, an Iowa corporation ("Assignor"), and Cruz Bay Publishing, Inc., a Delaware corporation ("Assignee"), is dated and effective as of October 14, 2015 (the "Effective Date").

RECITALS

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of the date hereof, by and among Assignee, Assignor and the other parties listed on the signature pages thereto (the "Purchase Agreement"), Assignee will acquire certain assets and liabilities of Assignor (the "Acquisition"); and

WHEREAS, Assignor is the owner of and has adopted and used or intend to use those trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications listed on Exhibit A attached hereto (all such marks and applications and the registrations therefor are herein collectively referred to as the "Trademarks"); and

WHEREAS, Assignor is the owner of the internet domain names (the "Domain Names") as set forth on Exhibit B attached hereto; and

WHEREAS, Assignor is also the owner of the copyrights in the works listed on Exhibit C attached hereto (the "Copyrights"), as well as the copyright registrations therefor as identified on Exhibit C (the "Copyright Registrations"); and

WHEREAS, Assignee desires to acquire all of Assignor's right, title and interest in and to the Trademarks, the Domain Names, the Copyrights and the Copyright Registrations, together with the goodwill associated therewith, from Assignor as part of the Acquisition; and

WHEREAS, Assignor is willing to transfer to Assignee the Trademarks, the Domain Names, the Copyrights and the Copyright Registrations and the goodwill associated therewith.

NOW, THEREFORE, Assignor and Assignee hereby agree as follows:

1. For and in consideration of the agreements set forth herein and in the Purchase Agreement, Assignor hereby assigns, transfers and sets over to Assignee all of its right, title and interest in the Trademarks, the Domain Names, the Copyrights and the Copyright Registrations and the goodwill associated therewith.

2. Concurrent with the execution and delivery of this Assignment, Assignor shall execute and deliver in recordable form an assignment of the Trademarks in the form of Exhibit D attached hereto.

3. Concurrent with the execution and delivery of this Assignment, Assignor shall execute and deliver in recordable form an assignment of the Copyrights in the form of Exhibit E attached hereto.

4. Unless otherwise agreed by the Assignee and Assignor, immediately upon execution of this Assignment, Assignor shall cease all use of the Trademarks, the Domain Names and the Copyrights, except to the extent necessary to fulfill its obligations under the Purchase Agreement or this Assignment.

5. Assignor hereby agrees to execute any further documents and to take further action reasonably necessary to effect the foregoing assignments, and to establish the ownership of record of the Trademarks, the Domain Names, the Copyrights and the Copyright Registrations and their associated applications and registrations to Assignee or its nominees, successors, and assigns. Assignee will prepare any individual recordable assignment documents as required and will forward them to Assignor, which will arrange to have them executed by the authorized personnel of Assignor, and whenever required, will further arrange to have them duly notarized and legalized (Assignee shall be responsible for the costs of any of the foregoing notarization or legalization). Assignee shall be responsible for all maintenance and registration fees and similar costs due after Closing. Assignee will pay the official charges it incurs in effecting such notarization and/or legalization.

6. If either party to this Assignment breaches any of the covenants contained herein, the breaching party shall, upon written notice of the breach, be given fifteen (15) days after receipt of written notice (or, if the breach is not susceptible to remedy within fifteen (15) days, then such longer period as is reasonably necessary) within which to remedy the breach.

7. All notices, requests and other communications required or authorized to be given by either party to the other under this Assignment shall be in writing and shall be deemed to have been given or submitted when delivered as provided in the Purchase Agreement.

8. This Assignment together with the applicable provisions of the Purchase Agreement contains the entire understanding between the parties with respect to the subject matter of this Assignment and shall inure to the benefit of and be binding upon the parties and their respective successors and assigns who shall be affirmatively bound to this Assignment. No modifications, change or waiver of any of the provision of this Assignment shall be valid unless in writing and signed by the party against whom enforcement is sought.
