TRADEMARK SECURITY AGREEMENT

(LLC)

This TRADEMARK SECURITY AGREEMENT ("**Security Agreement**"), dated as of September 30, 2015, is made by Data Dynamics, Inc. (the "**Grantor**") in favor of Spyropoulos Team LLC (the "**Lender**").

Grantor has entered into a Loan and Security Agreement dated as of the date hereof (as it may be amended, restated, supplemented or otherwise modified from time to time, the "**Agreement**"), with the Lender.

Under the terms of the Agreement, the Grantor has granted to the Lender, for its benefit, a security interest in, among other property, certain trademarks of the Grantor, and has agreed to execute and deliver this Security Agreement, for recording with the United States Patent and Trademark Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Grant of Security. Grantor hereby grants to the Lender for its benefit, a security interest in all of the Grantor's right, title and interest in and to the following (the "**IP Collateral**"):

Section 1.01 the trademark registrations and applications set forth in Schedule I hereto, together with the goodwill symbolized thereby and all extensions and renewals thereof (the "**Trademarks**"), **excluding** only United States intent-to-use trademark applications to the extent that and solely during the period in which the grant of a security interest therein would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

Section 1.02 all rights of any kind whatsoever of the Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

Section 1.03 any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

Section 1.04 any and all claims, with respect to any of the foregoing, for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to

sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation. The Grantor authorizes the Commissioner for Trademarks and any other government officials to record and register this Security Agreement upon request by the Lender.
3. Loan Documents. This Security Agreement has been entered into pursuant to and in conjunction with the Agreement, which is hereby incorporated by reference. The provisions of the Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Lender with respect to the IP Collateral are as provided by the Agreement and related documents, and nothing in this Security Agreement shall be deemed to limit such rights and remedies.
4. Execution in Counterparts. This Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Security Agreement by telecopy or other electronic (i.e., "e-mail") transmission shall be effective as delivery of a manually executed counterpart of this Security Agreement.
5. Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws of the State of New York.
