## PATENT AND TRADEMARK SECURITY AGREEMENT

THIS PATENT AND TRADEMARK SECURITY AGREEMENT (this "*Agreement*"), dated as of October 29, 2015, by Remtec, Incorporated, a Massachusetts corporation (the "*Grantor*"), in favor of and for the benefit of Parkside Financial Bank & Trust, a Missouri state bank (herein, together its successors and assigns in such capacity, the "*Bank*").

### RECITALS

A. The Grantor has entered into a Loan and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "*Loan Agreement*") with the Bank, pursuant to which the Bank has agreed to make loans to the Grantor subject to the terms and conditions set forth therein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Loan Agreement.

B. Pursuant to the Loan Agreement, the Grantor is required to execute and deliver this Agreement to the Bank.

C. Pursuant to the terms of the Loan Agreement, Grantor has granted to the Bank a security interest in substantially all the assets of the Grantor, including all right, title and interest of the Grantor in, to and under all now owned and hereafter acquired patents, patent applications, patent licenses, trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of all amounts owing by the Grantor under the Loan Agreement.

In consideration of the mutual agreements set forth herein and in the Loan Agreement, the Grantor does hereby grant to the Bank a continuing security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (2) each trademark license, including without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto or any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the "*Trademark Collateral*");
- (4) each patent and patent application, including without limitation, each patent and patent application referred to in Schedule 2 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;

- (5) each patent license, including, without limitation, each patent license listed on Schedule 2 annexed hereto, together with all goodwill associated therewith;
- (6) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement of any patent, including, without limitation, any patent referred to in Schedule 2 annexed hereto, any patent issued pursuant to a patent application referred to in Schedule 2 and any patent license under any patent license listed on Schedule 2 annexed hereto (items 4 through 6 being herein collectively referred to as the "***Patent Collateral***").

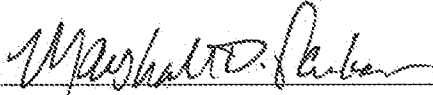

This security interest and Lien is granted in conjunction with the security interests and Liens granted to the Bank pursuant to the Loan Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Bank with respect to the security interest in the Trademark Collateral and the Patent Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[*Signature page(s) follows.*]

The Grantor has caused this Patent and Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.
