INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment"), effective as of October 28, 2015 ("Effective Date"), is by and between GE COMMERCIAL DISTRIBUTION FINANCE LLC, a Delaware limited liability company ("Assignor") and GENERAL ELECTRIC CAPITAL CORPORATION, a corporation organized and existing under the laws of the State of Delaware ("Assignee").

WHEREAS, Assignor desires to deliver and transfer to Assignee certain Intellectual Property (the "Assigned Intellectual Property" as set forth on Exhibit A hereto); and

WHEREAS, Assignee desires to acquire the Assigned Intellectual Property from Assignor;

1. Assignor hereby sells, assigns and transfers to Assignee its entire worldwide right, title and interest in and to the Assigned Intellectual Property, together with any and all goodwill connected with and symbolized by the Assigned Intellectual Property, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, as assignee of its respective entire right, title and interest therein, including, without limitation, all rights in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto, all causes of action (whether in law or in equity) with respect thereto, and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned under this Assignment.
2. This Assignment is binding upon, and inures to the benefit of, the parties hereto and their respective legal representatives, successors and assigns. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Assigned Intellectual Property. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligations imposed by this Assignment shall be governed by, and construed in accordance with, the laws of the State of New York without regard to the choice of law principles thereof. Upon reasonable request by Assignee, Assignor will execute additional documents and take other actions as may be necessary or desirable to record or memorialize the assignments of the Assigned Intellectual Property set forth herein, and to vest in Assignee such right, title, and interest in and to the Assigned Intellectual Property as sold, assigned and transferred to Assignee hereunder. No waiver, modification or change of any of the provisions of this Assignment shall be valid unless in writing and signed by the party against whom such claimed waiver, modification or change is sought to be enforced.
