RELEASE OF SECURITY INTERESTS AGREEMENT

This Release of Security Interests Agreement ("Agreement") is entered into and dated effective as of November 2, 2015, by and between TGC Components LLC, a Delaware corporation ("Debtor"), and CoBiz Bank ("Secured Party").

INTRODUCTION

A. Debtor and Secured Party are parties to a Loan and Security Agreement, dated as of December 26, 2012 (as such may have been amended or modified from time to time prior to the date hereof, the "Security Agreement").

B. Pursuant to the Security Agreement, Debtor granted Secured Party security interests in Debtor's patents, patent applications, trademarks, trademark applications, copyrights, copyright applications, mask works, service marks, trade dress, trade secrets, trade names, other Intellectual Property Rights (as defined in the Security Agreement), and other Collateral (as such term is defined in the Security Agreement), including but not limited to the patents, patent applications, trademarks, trademark applications, copyrights, copyright applications, and mask works listed on the attached Exhibit A.

C. The parties desire to confirm the release of all security interests in favor of Secured Party granted pursuant to the Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

AGREEMENT

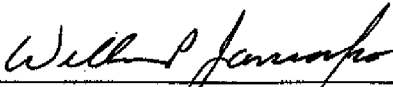

1. Release of Security Interests. Secured Party hereby releases, discharges, terminates and relinquishes, without recourse of any kind, to Debtor, its successors and assigns, all security interests, charges and encumbrances granted by Debtor in favor of Secured Party pursuant to the Security Agreement, including, but not limited to, those relating to Debtor's patents, patent applications, trademarks, trademark applications, copyrights, copyright applications, mask works, service marks, trade dress, trade secrets, trade names, other Intellectual Property Rights, and other Collateral.

2. Further Cooperation. Secured Party shall, upon reasonable request of Debtor, execute and deliver to Debtor, or register, or arrange to have registered by its agent, all such other assurances, and further terminations and releases necessary to carry out the terms of this Agreement, including those under the Uniform Commercial Code or the laws of the United States related to patents, patent applications, trademarks, trademark applications, copyrights, copyright applications, mask works, service marks, trade dress, trade secrets, trade names, registrations or discharges of security interests in respect of intellectual property. Debtor agrees to pay for the preparation, execution, delivery, filing and recording of this Agreement in the appropriate jurisdictions and of all such other terminations, releases, agreements, discharges, other instruments and collateral.
