INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT (the "Assignment"), is entered into effective as of the date last indicated in the signature blocks below, by and between **K. W. Muth Company, Inc.**, a Wisconsin corporation ("Assignor"), and **Muth Mirror Systems, LLC**, a Wisconsin limited liability company having its principal place of business at 4221 High Tech Lane, Sheboygan, WI 53083, United States of America ("Assignee").

WITNESSETH:

WHEREAS, Assignor is the owner of the trademarks listed on Exhibit A attached hereto and the patents and patent applications listed on Exhibit B attached hereto (together the "Intellectual Property");

WHEREAS, Assignee is, indirectly, a wholly owned subsidiary of Assignor and is the operating entity primarily using the intellectual property that is the subject of this Assignment; and

WHEREAS, in order to facilitate the business operations of Assignor and Assignee, Assignor has agreed to transfer to Assignee, and Assignee has agreed to receive from Assignor, all of Assignor's right, title and interest in and to the Intellectual Property.

NOW, THEREFORE, for one dollar and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignor hereby assigns to Assignee, and Assignee hereby accepts such assignment of, all right, title and interest in and to all of the Intellectual Property together with all common law rights therein, including the right to sue, obtain relief and recover damages for past, present and future infringement, together with the goodwill of the business symbolized by the trademarks listed on Exhibit A attached hereto.

2. Where appropriate, Assignor authorizes and requests governmental officials in the United States, and officials of any country or countries foreign to the United States, whose duty it is to examine and issue patents or register trademarks, to record Assignee as the assignee and owner of the Intellectual Property.

3. No amendment or modification of this Assignment shall be valid unless in writing and signed by an authorized signatory of each of the Assignor and the Assignee.

4. This Assignment shall be binding upon the parties hereto and their respective successors and permitted assigns.

5. This Assignment and all questions arising in connection herewith shall be governed by and construed in accordance with the internal laws of the State of Wisconsin, without regard to its conflicts of law principles which would require application of the laws of another jurisdiction.

6. This Assignment may be executed in one or more counterparts and by facsimile, all of which shall be considered but one and the same instrument, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party.

IN WITNESS WHEREOF, the parties have executed this Assignment effective as of the date last written in the signature blocks below.
