INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of July 22, 2014 (this "Agreement"), is delivered by Sonim Technologies, Inc., a Delaware corporation, with a business address of 1875 S. Grant Street, Suite 620, San Mateo, California 94402 (the "Grantor"), and East West Bank, a California banking corporation organized, with a business address of 9300 Flair Drive, 6th Floor, El Monte, California 91731 (the "Lender").

WITNESSETH:

WHEREAS pursuant to the terms of a certain Security Agreement, dated as of the date hereof (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), by and among the Grantor and Lender, the Lender has agreed to extend credit and make certain financial accommodations to the Grantor;

WHEREAS pursuant to the Security Agreement, the Grantor has granted to the Lender a security interest and continuing lien on Grantor's right, title and interest in, to and under certain Collateral (as that term is defined in the Security Agreement) as set forth in the Security Agreement; and

WHEREAS pursuant to the Security Agreement, the Grantor is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the Grantor agrees as follows:

The Grantor hereby grants to the Lender a security interest in all of its right, title and interest in, to and under the Collateral including the Trademarks listed in Schedule A, the Patents listed in Schedule B, and the Copyrights listed in Schedule C in each case whether now owned or hereafter acquired, as collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise of all obligations set forth in the Security Agreement.

The Grantor does hereby acknowledge and affirm that the rights and remedies of the Lender with respect to the grant of and security interest in, lien on and pledge to the Collateral made hereby as more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Notwithstanding the foregoing, the Collateral shall not include and no security interest shall be granted or attach hereunder with respect to any property while and to the extent it constitutes any application for a trademark or service mark filed in the United States Patent and Trademark Office on the basis of the Grantor intent to use any such mark pursuant to U.S.C. § 1051 Section 1(b), unless and until such mark is used in interstate commerce, at which point the Collateral shall include, and the security interest granted hereunder shall attach to, such application, but such exclusion shall apply only to the extent that granting a lien in such

trademark application prior to such use would adversely affect the enforceability or validity of such trademark application.

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California applicable to agreements made and to be performed entirely within such state; provided that the security trustee and each lender of the secured obligations shall retain all rights arising under federal law.

IN WITNESS WHEREOF, Sonim Technologies, Inc. has duly executed or caused this Agreement as of the date indicated above.

SONIM TECHNOLOGIES, INC.
