Entry in register with respect to marks-3zet GmbH & Co. KG, Lahnstraße 38, 45478 Mülheim an der Ruhr

Dear notary Mr. Wiegand,

on register sheet HRA 8411 the following **entry** has been made.

15

Attention: Hint of the register court:

20

Recently it has been attempted several times by private providers, files pp., to gain costs for entry in a private register or a file by means of officially looking accounts resembling judicial cost accountings. These offers in the form of bills meanwhile carry a warning which resembles the judicial warning.

Thus it is strongly suggested that billings of the Duisburg register court for register entries are transacted exclusively over the court cashier's office Düsseldorf.

25

Yours sincerely

Borchert
Court General Secretary

Now, access to register is possible even online!

Register portal of federal states: www.handelsregister.de

On this web page you will find commercial registers, registers of cooperatives and partnership registers as well as a part of the registers of associations of all federal states for online access. Moreover, the register portal enables access to register announcements (publications) and retrieval of documents which have been submitted to the register court electronically (e.g. lists of shareholders and partnership agreements). Research of companies and retrieval of publications are cost-free. All other retrievals are associated with costs.
