## PATENT AND TRADEMARK SECURITY AGREEMENT

THIS PATENT AND TRADEMARK SECURITY AGREEMENT (the "Security Agreement") is made as of this 4th day of December, 2015, by **UNIVERSAL BEAUTY PRODUCTS INCORPORATED**, an Illinois corporation and **VAN DER HAGEN ENTERPRISES INC.**, a Texas corporation (collectively, "Owner"), for the benefit of **FIRSTMERIT BANK, N.A.**, a national banking association, as administrative agent for the Lenders (as defined hereinafter) (in such capacity, and together with its successors and assigns in such capacity, the "Administrative Agent").

### WITNESSETH

WHEREAS, Pursuant to the terms and conditions of a Credit Agreement dated as of even date herewith (as amended, restated or replaced from time to time, the "Credit Agreement") by and among Grantors, the lenders from time to time party thereto (the "Lenders") and the Administrative Agent, Lenders have extended to Owners and other Borrowers (as defined in the Credit Agreement), certain Loans.

WHEREAS, a condition precedent to the extension of the Loans to the Owners and the other Borrowers is the execution and delivery of (a) the Credit Agreement; (b) this Patent and Trademark Security Agreement, and (c) the other Loan Documents (as defined in the Credit Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, Grantor hereby agrees as follows:

1. Incorporation of Credit Agreement. The Credit Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All initial capitalized terms used but not otherwise defined herein shall have the same meanings herein as in the Credit Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, Owner hereby grants to Administrative Agent, for its own benefit and for the benefit of the Secured Creditors, a continuing security interest in Owner's entire right, title and interest in and to all of its now owned or existing and hereafter acquired or arising patents, all registrations and applications for registration therefor and all licensees thereof, all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) in connection therewith, including, without limitation, the patents, trademarks and applications listed on Schedule A attached hereto and made a part hereof and the patents, trademarks, and renewals thereof, and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue

for past, present and future infringements of any of the foregoing (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "Patents and Trademarks"); all rights corresponding to any of the foregoing throughout the world and the goodwill of the Owner's business connected with the use of and symbolized by the Patents and Trademarks. The rights and security interests granted herein are complimentary to any security interests granted and rights provided for in any other security agreement made by Owner in favor of Administrative Agent and shall be construed to provide the greatest security, rights, benefits and remedies to Administrative Agent.

3. Representations and Warranties. Owner represents and warrants to Administrative Agent that:

(a) To Owner's knowledge, none of the Patents and Trademarks have been adjudged invalid or unenforceable by a court of competent jurisdiction nor have any such Patents and Trademarks been cancelled, in whole or in part and all such Patents and Trademarks are presently subsisting;

(b) Owner is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents and Trademarks, free and clear of any liens, charges and encumbrances, including without limitation, shop rights and covenants by Owner not to sue third persons;

(c) Owner has no notice of any suits or actions commenced or threatened with reference to any of the Patents and Trademarks; and

(d) Owner has the unqualified right to execute and deliver this Security Agreement and perform its terms.

4. Restrictions on Future Agreements. Owner agrees that until the Obligations shall have been satisfied in full and the Credit Agreement shall have been terminated, Owner shall not, without the prior written consent of Administrative Agent, sell or assign its interest in any of the Patents and Trademarks or enter into any other agreement with respect to any of the Patents and Trademarks which would affect the validity or enforcement of the rights transferred to Administrative Agent under this Security Agreement.

5. New Patents and Trademarks. Owner represents and warrants that, based on a diligent investigation by Owner, the Patents and Trademarks Registrations listed on Schedule A constitute all of the federally registered Patents and Trademarks, and federal applications for registration of Patents and Trademarks (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) now owned by Owner. If, before Borrowers' Obligations shall have been satisfied in full or before the Credit Agreement has been terminated, Owner shall (i) become aware of any existing Patents and Trademarks of which Owner has not previously informed Administrative Agent, or (ii) become entitled to the benefit of any Patents or Trademarks, which benefit is not in existence on the date hereof, the provisions of this Security Agreement above shall automatically apply thereto and Owner shall give to Administrative Agent prompt written notice thereof. Owner hereby authorizes Administrative Agent to modify this Security Agreement by amending Schedule A to include any such Patents or Trademarks.

6. Term. The term of this Security Agreement shall extend until the payment in full of the Obligations and the termination of the Credit Agreement. Owner agrees that upon the occurrence of and during the continuation of an Event of Default, the use by Administrative Agent of all Patents and Trademarks shall be without any liability for royalties or other related charges from Administrative Agent to Owner.

7. Product Quality. Owner agrees to maintain the quality of any and all products and services in connection with and to the extent which the Patents and Trademarks are used, consistent with commercially reasonable business practices. Upon the occurrence of and during the continuation of an Event of Default, Owner agrees that Administrative Agent, or a conservator appointed by Administrative Agent, shall have the right to establish such additional product and service quality controls as Administrative Agent, or said conservator, in its reasonable (from the perspective of a secured lender) judgment, may deem necessary to assure maintenance of the quality of products sold by Owner under the Patents and Trademarks.

8. Release of Security Agreement. This Security Agreement is made for collateral purposes only. Upon payment in full of the Obligations and termination of the Credit Agreement, Administrative Agent shall take such actions as may be necessary or proper to terminate the security interests created hereby.

9. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Owner. All fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses incurred by Administrative Agent in connection with the filing or recording of any documents (including all fees in connection therewith) in public offices, the payment or discharge of any taxes relating directly to the Patents and Trademarks, reasonable counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Patents and Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Patents and Trademarks shall be borne by and paid by Owner and until paid shall constitute the Obligations.

10. Duties of Owner. Owner shall have the duty (i) to file and prosecute diligently any patent applications and trademark applications pending as of the date hereof or hereafter until Borrowers' Obligations shall have been paid in full and the Credit Agreement has been terminated, (ii) to preserve and maintain all rights in the Patents and Trademarks, as commercially reasonable and (iii) to ensure that the Patents and Trademarks are and remain enforceable. Any expenses incurred in connection with the Obligations under this Section 10 shall be borne by Owner.

11. Administrative Agent's Right to Sue. After an Event of Default has occurred and is continuing, Administrative Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents and Trademarks and, if Administrative Agent shall commence any such suit, Owner shall, at the request of Administrative Agent, do any and all lawful acts and execute any and all proper documents required by Administrative Agent in aid of such enforcement and Owner shall promptly, upon demand, reimburse and indemnify Administrative Agent for all costs and expenses reasonably incurred by Administrative Agent in the exercise of its rights under this Section 11.

12. Waivers. No course of dealing between Owner and Administrative Agent, nor any failure to exercise, nor any delay in exercising, on the part of Administrative Agent, any right, power or privilege hereunder or under the Credit Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

14. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

15. Cumulative Remedies; Power of Attorney; Effect on Credit Agreement. All of Administrative Agent's rights and remedies with respect to the Patents and Trademarks, whether established hereby or by the Credit Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Owner hereby authorizes Administrative Agent upon the occurrence of an Event of Default, to make, constitute and appoint any officer or agent of Administrative Agent as Administrative Agent may select, in its sole discretion, as Owner's true and lawful attorney-in-fact, with power to (i) endorse Owner's name on all applications, documents, papers and instruments necessary or desirable for Administrative Agent in the use of the Patents and Trademarks or (ii) take any other actions with respect to the Patents and Trademarks as Administrative Agent deems to be in the best interest of Administrative Agent, or (iii) grant or issue any exclusive or non-exclusive license under the Patents and Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents and Trademarks to anyone. Owner hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until Borrowers' Obligations shall have been paid in full and the Credit Agreement has been terminated. Owner acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Administrative Agent under the Credit Agreement and the other Loan Documents but rather is intended to facilitate the exercise of such rights and remedies. Administrative Agent shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement, the Credit Agreement and the other Loan Documents, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Illinois.

16. Binding Effect; Benefits. This Security Agreement shall be binding upon Owner and its respective successors and assigns, and shall inure to the benefit of Administrative Agent and the Secured Creditors and their successors, nominees and assigns.

17. Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and applicable federal law.

18. Headings. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede.

19. Further Assurances. Owner agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Administrative Agent shall reasonably request from time to time in order to carry out the purpose of this Security Agreement and agreements set forth herein.

20. Survival of Representations. All representations and warranties of Owner contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Credit Agreement.

21. Counterparts; Facsimile Signatures. This Security Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same agreement. Receipt of an executed signature page to this Security Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by Administrative Agent shall be deemed to be originals thereof.

22. Joint and Several Liability. To the extent this Security Agreement is made by more than one Owner, the representations, warranties, covenants and obligations herein are joint and several.

[Signature Page Follows]

IN WITNESS WHEREOF, Owner has duly executed this Patent and Trademark Security Agreement as of the date first written above.
