## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT is entered into as of December 15, 2015, (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "Trademark Security Agreement"), by LION BUYER, LLC, a Delaware limited liability company (herein referred to as "Grantor"), to be renamed as LENSAR, LLC after the date hereof, in favor of the Agent.

**WHEREAS**, the Grantor, having an address at 18191 Von Karman Avenue, Suite 500, Irvine, CA 92612, (1) has adopted, used and is using, or (2) has intended to use and filed an application indicating that intention, but has not yet filed an allegation of use under Section 1(c) or 1(d) of the Trademark Act, or (3) has filed an application based on an intention to use and has since used and has filed an allegation of use under Section 1(c) or 1(d) of the Trademark Act, the trademarks, trade names, trade styles and service marks listed on the annexed Schedule 1-A, which trademarks, trade names, trade styles and service marks are registered, or for which applications for registration have been filed in the United States Patent and Trademark Office (the "Trademarks"); and

**WHEREAS**, the Grantor has entered into an Amended and Restated Security Agreement, dated as of December 15, 2015 (said Amended and Restated Security Agreement, as it may hereafter be amended or otherwise modified from time to time being the "Security Agreement", the terms defined therein and not otherwise defined herein being used herein as therein defined) in favor of the Agent, for itself and the Lender party to the Credit Agreement (in such capacity, the "Secured Party"); and

**WHEREAS**, pursuant to the Security Agreement, the Grantor has granted to Secured Party a security interest in all right, title and interest of the Grantor in and to the Trademarks, together with all prints and labels on which said Trademarks have appeared or appear, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, and the goodwill of the business symbolized by the Trademarks and the applications, registrations and recordings in the United States Patent and Trademark Office or in any similar office or agency of the United States of America, any State thereof, or any other country or any political subdivision thereof, all whether now or hereafter owned or licensable by Grantor, and all reissues, extensions or renewals thereof, all Trademark licenses and all proceeds of all of the foregoing, including, without limitation, any claims by Grantor against third parties for infringement thereof, to secure the payment and performance of the Obligations;

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is hereby acknowledged, the Grantor does hereby further confirm, and put on the public record:

### Section 1. Grant of Security Interest in Trademarks.

Each Grantor hereby grants to the Agent a security interest and continuing lien on all of such Grantor's right, title and interest in, to and under the following, in each case whether owned or existing or hereafter acquired or arising and wherever located (collectively, the "Trademark Collateral"):

(i) all United States, state and foreign trademarks, service marks, certification marks, collective marks, trade names, corporate names, d/b/as, business names, fictitious business names, trade styles, logos, other source or business identifiers, designs and general intangibles of a like nature and, with respect to any and all of the foregoing: (i) all registrations and applications therefor including, but not limited to, the registrations and applications referred to in Schedule 1-A hereto (as such schedule may be amended or supplemented from time to time),

- (ii) the goodwill of the business symbolized thereby,
- (iii) all rights corresponding thereto throughout the world,
- (iv) all rights to sue for past, present and future infringement or dilution thereof or for any injury to goodwill,
- (v) all licenses, claims, damages, and proceeds of suit arising therefrom, and
- (vi) all payments and rights to payments arising out of the sale, lease, license assignment or other disposition thereof;

provided that the security interest granted under Section 2 hereof shall not attach to, and the term "Trademark Collateral" shall not include any applications for trademark filed in the United States Patent and Trademark Office pursuant to 15 U.S.C. § 1051 Section 1(b), only to the extent that the grant of a security interest therein would result in the abandonment, invalidation or unenforceability of the trademarks matured from such application or rights hereunder and only until evidence of the use of such trademarks in commerce, as defined in 15 U.S.C. Section 1127, is submitted to, and accepted by, the United States Patent and Trademark Office pursuant to 15 U.S.C. § 1051 Section 1(c) or 1(d), following which filing all such applications shall automatically become Trademark Collateral.

Section 2.        Security Agreement.

The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are supplemental of, and more fully set forth in, the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

Section 3.        Grantor Remains Liable.

Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume responsibility for and control of the prosecution, defense, enforcement or any other necessary or desirable actions in such Grantor's reasonable business judgment in connection with their Trademarks subject to a security interest hereunder.

Section 4.        GOVERNING LAW.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 5.        Counterparts.

This Trademark Security Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Trademark Security Agreement shall become effective when the Agent has received counterparts bearing the signatures of all parties hereto. Delivery of a signature page of this Trademark Security Agreement by

telecopy or other electronic means shall be effective as delivery of a manually executed counterpart of such Trademark Security Agreement.
