TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is being executed as of the ___ day of November, 2015 by GIMBORN PET SPECIALTIES LLC, an Ohio limited liability company having its principal place of business at 2425 W. Dorothy Lane, Dayton, Ohio 45439 ("Assignor"), under the following circumstances:

A. MIRACLECORP PRODUCTS, an Ohio corporation having its principal place of business at 2425 W. Dorothy Lane, Dayton, Ohio 45439 ("Assignee"), the sole member and owner of Assignor, is acquiring substantially all of the assets of Assignor, including all right, title and interest in and to all of Assignor's trademarks, the common law rights associated therewith, the registrations and applications therefor, and all of the goodwill of the business associated with the use of and symbolized by said trademarks.

B. Assignor owns the trademarks listed on Exhibit I hereto, and all of the goodwill of the business associated with said trademarks. Such trademarks and the associated goodwill are included in the assets being acquired by Assignee.

NOW, THEREFORE, for good and valuable consideration of one dollar (\$1.00), the receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto Assignee, its successors and assigns, the entire right, title and interest in the trademarks listed on Exhibit I hereto, the common law rights associated therewith and the registrations and applications therefor, in the United States and countries foreign thereto, and all of the goodwill of the business associated with the use of and symbolized by said trademarks together with all claims for damages by reason of past, present, and future infringement of the rights assigned under this Trademark Assignment, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns, and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this transfer to Assignee had not been made.

For the above consideration, Assignor agrees promptly upon request of the Assignee, its successors or assigns, to execute and deliver without further compensation any papers which may be necessary or desirable fully to secure to Assignee, its successors and assigns, the trademarks and any rights therein, in the United States and in any country foreign thereto.
