### RECITALS:

This Agreement is made pursuant to the Loan and Security Agreement, dated as of November 10, 2015 (as amended, restated or otherwise modified from time to time, the “Credit Agreement”), among Dorskocil Manufacturing Company, Inc., a Texas corporation (the “Borrower”), Petmate Holdings Co., a Delaware corporation, certain subsidiaries of the Borrower from time to time party thereto, the lenders party thereto, the Agent and Business Development Corporation of America, as an Arranger (as defined in the Credit Agreement). Pursuant to the Credit Agreement, each Grantor has granted to the Agent, for the benefit of the Secured Parties, a continuing security interest in, assignment of and lien on substantially all of its assets, whether now owned or existing or hereafter acquired or arising.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby covenants and agrees with the Agent and the other Secured Parties as follows:

Section 1. Defined Terms. Terms used herein without definition shall have the respective meanings ascribed thereto in the Credit Agreement.

Section 2. Grant of Security Interest. As security for the prompt payment and performance of the Secured Obligations, each Grantor hereby grants to the Agent, for the benefit of the Secured Parties, a security interest in (whether now owned or hereafter acquired by such Grantor and whether acquired in the United States or elsewhere in the world) all right, title and interest of such Grantor in and to the following, whether now existing or hereafter acquired:

(i) all trademarks, trade names and service marks registered with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);

(ii) all applications for the registration of trademarks, trade names and service marks filed with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);

(iii) all trademarks, trade names and service marks registered with any office, agency or other governmental authority of any State, the District of Columbia or any possession or territory of the United States;

(iv) all trademarks, trade names and service marks registered with any office, agency or other governmental authority of any other country or any province, department or other governmental subdivision thereof;

(v) all registrations and recordings with respect to any of the foregoing;

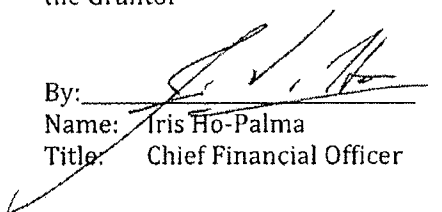

(vi) all reissues, extensions and renewals of any of the foregoing; and

(vii) all corporate names, business names, trade styles, logos, other source or business identifiers.

Section 3. Reference to Credit Agreement. This Agreement has been entered into by the Grantors and the Agent primarily for recording purposes as contemplated by the Credit Agreement. In the event of any inconsistency between any of the terms or provisions hereof and the terms and provisions of such Credit Agreement, the terms and provisions of such Credit Agreement shall govern.
