TRADEMARK SECURITY AGREEMENT

December 11, 2015

This TRADEMARK SECURITY AGREEMENT (the “Trademark Security Agreement”) is made by the undersigned parties (collectively, the “Pledgors”, and individually, each a “Pledgor”), in favor of WILMINGTON TRUST (LONDON) LIMITED, as Security Agent (the “Security Agent”) under that certain Security Agreement dated as of December 11, 2015 (as the same may be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the “Security Agreement”), among the Pledgors and the Security Agent. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Security Agreement or in that certain Credit and Guaranty Agreement dated as of December 11, 2015 (as the same may be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the “Credit Agreement”), among the Pledgors, the lenders referred to therein, JPMorgan Chase Bank, N.A., as Administrative Agent and as Issuing Bank, J.P. Morgan Europe Limited, as Sterling Agent and JPMorgan Chase Bank, N.A., Toronto Branch, as Canadian Agent (as applicable).

WHEREAS, pursuant to the Security Agreement, the Pledgors have pledged and granted to the Security Agent (for the benefit of the Secured Parties) a continuing security interest in all Collateral of the Pledgors whether now owned, presently existing or hereafter acquired or created, including, without limitation, all right, title and interest of the Pledgors in, to and under any trademark or trademark license, whether now existing or hereafter arising, acquired or created, and all proceeds thereof or income therefrom, to secure the payment and performance of the Secured Obligations; and

WHEREAS, the Pledgors have duly authorized the execution, delivery and performance of this Trademark Security Agreement.

NOW THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, and in order to induce the Secured Parties to make financial accommodations to the Pledgors, the Pledgors agree, for the benefit of the Secured Parties, as follows:

Grant of Security Interest. Each of the undersigned Pledgors does hereby pledge and grant to the Security Agent (for the benefit of the Secured Parties), as security for the Secured Obligations, a continuing security interest in all of such Pledgor’s right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the “Trademark Collateral”), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in the possession of such Pledgor:

each trademark and all of the goodwill of the business connected with the use of, and symbolized by, each trademark, including, without limitation, each trademark referred to in Schedule A annexed hereto;

each trademark license, including, without limitation, each trademark license referred to in Schedule B annexed hereto, to the extent such trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by such Pledgor against third parties for the past, present or future infringement or dilution of any trademark or any trademark licensed under any trademark license, or for injury to the goodwill associated with any trademark;

but excluding, notwithstanding anything in the Security Agreement, the Credit Agreement or herein to the contrary: (i) any "intent-to-use" trademark applications for which a statement of use has not been filed and accepted with the United States Patent and Trademark Office or any intellectual property if the grant of a security interest therein would result in the cancellation or voiding of such intellectual property by the applicable Governmental Authority, (ii) Equity Interests expressly excluded from the definition of Pledged Securities or (iii) any agreement (including agreements relating to intellectual property) to which any Pledgor is a party, only to the extent and for so long as the terms of such agreement or any requirement of Applicable Law (x) validly prohibit the creation by such Pledgor of a security interest in such agreement in favor of the Security Agent (after giving effect to Sections 9-406(d), 9-407(a), 9-408(a) or 9-409 of the UCC (or any successor provision or provisions) or any other Applicable Law (including the Bankruptcy Code) or principles of equity) or (y) would result in a termination pursuant to the terms of any such agreement (other than to the extent that any such term would be rendered ineffective pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the UCC (or any successor provision or provisions) of any relevant jurisdiction or any other Applicable Law (including the Bankruptcy Code) or principles of equity), in each case unless and until any required consents are obtained, provided however that Trademark Collateral shall include, and the security interest granted in the Trademark Collateral shall attach to, any proceeds, substitutions or replacements of any such excluded items referred to herein unless such proceeds, substitutions or replacements would constitute excluded items under the Credit Agreement or hereunder.

2. Purpose. This Trademark Security Agreement has been executed and delivered by each of the undersigned Pledgors for the purpose of registering the grant of security interest herein to the Security Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Security Agent for its benefit and the ratable benefit of each other Secured Party in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Security Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

3. Acknowledgment. Each of the undersigned Pledgors does hereby further acknowledge and affirm that the rights and remedies of the Security Agent (for the benefit of the Secured Parties) with respect to the security interest made and granted hereby are more fully set forth in the Security Agreement and are subject to the limitations (including certain rights of quiet enjoyment in favor of licensees) set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this

Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

4. Governing Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK AND THE APPLICABLE FEDERAL LAWS OF THE UNITED STATES OF AMERICA, WITHOUT REGARD TO ANY CONFLICT OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

5. Counterparts. This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or transmitted electronically in a Tagged Image Format File ("TIFF"), Portable Document Format ("PDF") or other electronic format sent by electronic mail shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective when it shall have been executed by each party hereto. Any party delivering an executed counterpart of this Trademark Security Agreement by facsimile or by email shall also deliver a manually executed counterpart of this Trademark Security Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Trademark Security Agreement, and the parties hereby waive any right they may have to object to said treatment.
