ANNUAL SUPPLEMENT TO THE
TRADEMARK SECURITY AGREEMENT

This ANNUAL SUPPLEMENT TO THE TRADEMARK SECURITY AGREEMENT dated as of December 24, 2015 (this "Supplement"), is made by the Persons listed on the signature pages hereof (collectively, the "Grantors") in favor of Credit Suisse AG, as collateral agent (the "Collateral Agent") for the Secured First Lien Parties (as defined in the General Security Agreement referred to below).

WHEREAS, WMG Acquisition Corp., a Delaware corporation, (the "Borrower") has entered into a security agreement, dated as of November 1, 2012, made by the Grantors to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "General Security Agreement"). Capitalized terms not otherwise defined herein have the meaning set forth in the General Security Agreement.

WHEREAS, pursuant to the terms of the General Security Agreement, the Grantors have entered into the Trademark Security Agreement dated as of November 1, 2012, among the Collateral Agent and the Grantors (the "Trademark Security Agreement"), and have granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain Trademarks of the Grantors, and have agreed as a condition thereof to execute this Supplement for recording with the United States Patent and Trademark Office.

WHEREAS, Section 2.11(e) of the General Security Agreement requires each Grantor to provide the Collateral Agent, not more than 95 days following the last day of every fiscal year of the Borrower, an appropriate Intellectual Property Security Agreement with respect to all Material Recordable Intellectual Property owned by it, except for immaterial omissions, as of the last day of the most recently ended fiscal year, to the extent such Material Recordable Intellectual Property is not covered by any previous Intellectual Property Security Agreement so signed and delivered by it.

WHEREAS, the Grantors own the Trademarks included on Supplemental Schedule 1 attached hereto, that are not listed in any previous Intellectual Property Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. *Grant of Security.* Each Grantor hereby grants to the Collateral Agent, for the ratable benefit of the Secured First Lien Parties, a security interest in such Grantor's right, title and interest in and to all of the Trademarks referred to in Supplemental Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark; *provided that* no security interest shall be granted in United States intent-to-use trademark applications or service mark applications filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of said Act has been filed and accepted.

SECTION 2. *Security for Secured First Lien Obligations.* The confirmation of the grant of security interest in the Trademark Collateral by each Grantor under this Supplement secures, in the case of each Grantor, the payment of all Secured First Lien Obligations of such Grantor, now or hereafter existing under or in respect of the Secured First Lien Agreements, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contracts causes of action, costs, expenses or otherwise.

SECTION 3. *Recordation.* Each Grantor authorizes and requests that the Commissioner for Trademarks record this Supplement.

SECTION 4. *Execution in Counterparts.* This Supplement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. *Grants, Rights and Remedies.* This Supplement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest with the U.S. Patent and Trademark Office. The security interest confirmed hereby has been granted to the Collateral Agent in connection with the General Security Agreement and is expressly subject to the terms and conditions thereof and does not create any additional rights or obligations for any party hereto. The General Security Agreement, the Trademark Security Agreement and any supplements to any of the foregoing (and in each case all rights and remedies of the Collateral Agent thereunder) shall remain in full force and effect in accordance with their terms.

SECTION 6. *Governing Law.* This Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Supplement to be duly executed, all as of the date first written.
