ASSIGNMENT OF TRADEMARKS, TRADEMARK REGISTRATIONS AND ACCOMPANYING GOODWILL

This Assignment of Trademarks, Trademark Registrations and Accompanying Goodwill (this "Assignment") is entered into effective as of *October 1, 2015* by and between **TAP PUBLISHING COMPANY**, a Tennessee general partnership with its principal business address at 174 Fourth Street, Crossville, Tennessee 38555-4303 (the "Assignor"), and **TAP PUBLISHING COMPANY, LLC**, a Delaware limited liability company with its principal business address at 174 Fourth Street, Crossville, Tennessee 38555-4304 (the "Assignee").

In connection with the formation of the Assignee and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, all of Assignor's worldwide rights, title and interest in and to those trademarks and service marks identified in Schedule A attached hereto (collectively, the "Marks"), all applications and registrations for the Marks throughout the world, including all common law rights in the Marks in any country or locality worldwide, and the goodwill of the business in connection with which the Marks are used and which is symbolized by the Marks. This Assignment includes an assignment of the right to recover damages and profits for past, present or future infringements or unauthorized uses of the Marks, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment and sale had not been made.

Assignor agrees to execute and deliver, at the request of Assignee, any papers, instruments and assignments necessary or appropriate to vest in Assignee all of Assignor's right, title and interest in and to the Marks and the applications and registrations therefore and/or to provide evidence to support such assignment in the event such evidence is deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor.

This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute only one instrument.
