ARTICLE 4
COLLATERAL: GENERAL TERMS

4.1 **Security Interest in the Collateral.** To secure the prompt payment and performance of the Obligations, each Loan Party hereby grants to the Lender, for its benefit, the benefit of the Issuer, and the benefit of each of their respective Affiliates, a continuing security interest in and a pledge of all of its Collateral. Each Loan Party shall mark its books and records as may be necessary or appropriate to evidence, protect and perfect the Lender's security interest and shall cause its financial statements to reflect such security interest. Each Loan Party shall promptly provide the Lender with written notice of all commercial tort claims, such notice to contain the case title together with the applicable court and a brief description of the claim(s). Upon delivery of each such notice, such Loan Party shall be deemed to hereby grant to the Lender a security interest and lien in and to such commercial tort claims and all proceeds thereof. In addition, to secure such prompt payment and performance of the Obligations, each

4.2 **Perfection of Security Interest.** Each Loan Party shall take all action that may be necessary or desirable, or that the Lender may request, so as at all times to maintain the validity, perfection, enforceability and priority of the Lender's security interest in the Collateral or to enable the Lender to protect, exercise or enforce its rights hereunder and in the Collateral, including (a) immediately discharging all Liens other than Permitted Encumbrances, (b) using commercially reasonable efforts to obtain such Waivers as the Lender may request, (c) delivering to the Lender, endorsed or accompanied by such instruments of assignment as the Lender may specify, and stamping or marking, in such manner as the Lender may specify, any and all chattel paper, instruments, letters of credit and advices thereof and documents evidencing or forming a part of the Collateral, (d) entering into lockbox and other custodial arrangements satisfactory to the Lender, and (e) executing and delivering control agreements, instruments of pledge, mortgages, notices and assignments, in each case in form and substance satisfactory to the Lender, relating to the creation, validity, perfection, maintenance or continuation of the Lender's security interest in Collateral under the Uniform Commercial Code or other applicable law. By its signature hereto, each Loan Party hereby authorizes the Lender to file against such Loan Party, one or more financing, continuation, or amendment statements pursuant to the Uniform Commercial Code to perfect Liens securing Obligations arising hereunder in form and substance satisfactory to the Lender. All charges, expenses and fees the Lender may incur in doing any of the foregoing, and any local taxes relating thereto, shall be charged to the Loan Account as a Revolving Loan and added to the Obligations, or, at the Lender's option, shall be paid to the Lender immediately upon demand.

The Loan Parties, the Lender and the Issuer have executed this Agreement as of the date first written above.
