## INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Agreement"), dated as of December 31, 2015, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of Structural Capital Investments I, LP, (the "Lender").

### WITNESSETH:

WHEREAS, pursuant to the Loan and Security Agreement, dated as of December 31, 2015 (as the same may be amended, restated, supplemented, amended and restated or otherwise modified from time to time, the "Loan Agreement") between Reloaded Games, Inc. ("Borrower") and Lender, Lender has agreed to make Advances ("Loans") to Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, pursuant to the Loan Agreement, certain US Subsidiaries of Borrower are required to execute and deliver a Guaranty and Security Agreement whereby such Subsidiaries are granting a Lien and security interest to Lender in the assets and properties of such Subsidiary.

WHEREAS, pursuant to the Loan Agreement, the Borrower and each of the other Grantors are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises, to induce Lender to enter into the Loan Agreement, to induce Lender to make the Loans to Borrower thereunder which will substantially benefit each Grantor other than Borrower, the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors, jointly and severally, hereby agree with Lender as follows:

1. **Defined Terms.** Capitalized terms used herein without definition are used as defined in the Loan Agreement.

2. **Grant of Security Interest in Collateral.** Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, hereby mortgages, pledges and hypothecates to Lender, and grants to Lender a Lien on and security interest in, all of its right, title and interest in, to and under the following property of such Grantor (the "Collateral"):

(a) all Intellectual Property including, without limitation, that referred to on Schedule I hereto;

(b) all licenses providing for the grant by or to such Grantor of any right under any Intellectual Property, including, without limitation, those referred to on Schedule I hereto;

(c) all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals, reversions and extensions of the foregoing;

(d) all goodwill of the Grantor connected with the use of, and symbolized by, such Intellectual Property; and

(e) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

3. **Loan Agreement and Guaranty and Security Agreement.** The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Loan Agreement or under the Guaranty and Security Agreement (as the case may be), and each Grantor hereby acknowledges and agrees that the rights and remedies of Lender and Lender with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Loan Agreement and the Guaranty and Security Agreement, as applicable, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Loan Agreement or the Guaranty and Security Agreement, the provisions of the Loan Agreement or the Guaranty and Security Agreement, shall control unless Lender shall otherwise determine.

4. **Termination.** Upon the payment in full of the Obligations, the security interest in the Intellectual Property granted under this Agreement shall automatically terminate, and Lender shall, at Borrower's request and expense, execute, acknowledge, and deliver to the Grantors one or more instruments in writing in recordable form releasing the security interest in the Intellectual Property under this Agreement.

5. **Grantor Remains Liable.** Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Intellectual Property subject to a security interest hereunder.

6. **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Agreement by facsimile transmission or electronic transmission shall be as effective as delivery of a manually executed counterpart hereof.

7. **Choice of Law, Venue, Jury Trial Waiver.**

(a) **Governing Law.** California law governs the Loan Documents without regard to principles of conflicts of law. Grantors and Lender each submit to the exclusive jurisdiction of the State and Federal courts in San Mateo County, California; provided, however, that nothing in this Agreement shall be deemed to operate to preclude Lender from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of Lender. Grantors expressly submit and consent in advance to such jurisdiction in any action or suit commenced in any such court, and each Grantor hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or *forum non conveniens* and hereby consents to the granting of such legal or equitable relief as is deemed appropriate by such court. Each Grantor hereby waives personal service of the summons, complaints, and other process issued in such action or suit and agrees that service of such summons, complaints, and other process may be made by registered or certified mail addressed to Grantor at the address set forth in, or subsequently provided by Grantors in accordance with, Section 11 of the Loan Agreement and that service so made shall be deemed completed upon the earlier to occur of Grantors' actual receipt thereof or three (3) days after deposit in the U.S. mails, proper postage prepaid.

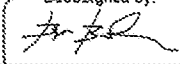

(b) **Waiver of Jury Trial; Judicial Reference. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, GRANTORS AND LENDER EACH WAIVE THEIR RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF OR BASED UPON THE LOAN DOCUMENTS OR ANY CONTEMPLATED TRANSACTION, INCLUDING CONTRACT, TORT, BREACH OF DUTY AND ALL OTHER CLAIMS. THIS WAIVER IS A MATERIAL INDUCEMENT FOR BOTH PARTIES TO ENTER**

**INTO THIS AGREEMENT. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.** If the jury waiver set forth in this Section is not enforceable, then any dispute, controversy or claim arising out of or relating to this Agreement or any of the transactions contemplated herein shall be settled by judicial reference pursuant to California Code of Civil Procedure Section 638 et seq., before a referee sitting without a jury, such referee to be mutually acceptable or, if none, then selected by the Presiding Judge of the California Superior Court for San Mateo County. This section shall not restrict the exercise of any non-judicial rights or remedies pursuant to applicable law.
