WITNESSETH:

WHEREAS, in connection with that certain Loan and Security Agreement, dated as of February 23, 2015, by and among the Secured Party, the Obligors and others (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Loan Agreement"; capitalized terms used herein and not otherwise defined herein shall have the respective meanings assigned to such terms in the Loan Agreement), the Obligors granted to the Secured Party security interests in certain Collateral, including the Intellectual Property Collateral;

WHEREAS, in connection with the Loan Agreement, the Obligors executed that certain Intellectual Property Security Agreement, dated as of February 23, 2015 (the "IP Security Agreement"), under which the Obligors mortgaged, pledged and granted to the Secured Party a lien on, and security interest in and to, all of the Obligors' right, title and interest in, to and under the Intellectual Property Collateral (together with the security interests granted pursuant to the Loan Agreement, the "Security Interests"), for recording with the United States Patent and Trademark Office and any other appropriate governmental authorities.

WHEREAS, the IP Security Agreement was recorded in the Trademark Division of the United States Patent and Trademark Office on February 24, 2015, at Reel 5465 and Frame 0311 with respect to United States trademark registrations and applications set forth on Schedule A hereto.

WHEREAS, the Obligors have requested that the Secured Party: (a) terminate and release all liens and interests of the Secured Party in the Intellectual Property Collateral and (b) execute and deliver evidence of such termination and release for filing in the United States Patent and Trademark Office and any other appropriate governmental authorities; and
