PATENT AND TRADEMARK SECURITY AGREEMENT dated as of January 6, 2016 (this "Agreement"), among **CARDONE INDUSTRIES, INC.**, a Pennsylvania corporation (the "Company"), certain direct and indirect subsidiaries of the Company from time to time parties hereto (the Company, together with each such subsidiary, individually a "Grantor" and collectively the "Grantors") and PNC Bank, National Association, as administrative agent (in such capacity, the "Agent").

Reference is made to (a) that certain Third Amended and Restated Credit Agreement (as it may hereafter from time to time be restated, amended, modified or supplemented, the "Credit Agreement") dated as of November 30, 2015 by and among the Company, the direct and indirect subsidiaries of the Company from time to time parties thereto (the "Subsidiary Borrowers" and with the Company, collectively, the "Borrowers"), the Agent and the Banks now or hereafter party thereto (collectively, the "Banks"), and (b) that certain Security Agreement (as it may hereafter from time to time be restated, amended, modified or supplemented, the "Security Agreement") dated as of November 30, 2015 by and among the Company, certain Subsidiary Borrowers, and Agent. The obligation of the Banks to make loans and issue or participate in letters of credit under the Credit Agreement is subject to the condition, among others, that the Grantors execute and deliver this Agreement. The Grantors party hereto are Borrowers and will derive substantial benefits from the extension of credit contemplated by the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Banks to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Security Agreement, as applicable. The rules of construction specified in Section 1.2 of the Credit Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor pursuant to the Security Agreement did, and hereby does, grant to the Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the "Patent and Trademark Collateral"):

(a) all letters patent of the United States of America or the equivalent thereof in any other country or with any multinational body, all registrations and recordings thereof, and all applications for letters patent of the United States of America or the equivalent thereof in any other country or with any multinational body, including registrations, recordings and pending applications in the United States Patent and Trademark Office or any similar office worldwide, including those listed on Schedule I;

(b) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein;

(c) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all applications filed in connection therewith, including registrations and applications in the United States Patent and Trademark Office or any similar offices in any State of the United States of America or any other country or with any multinational body, and all extensions or renewals thereof, including those listed on Schedule II;

(d) all goodwill associated therewith or symbolized thereby;

(e) all other assets, rights and interests that uniquely reflect or embody such goodwill;
and

(f) the right to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation or other violation or impairment of any of the foregoing, including the right to receive all proceeds therefrom, including without limitation license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect thereto, and all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

SECTION 3. Security Agreement. The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Patent and Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
