Trademark Assignment Agreement

This Trademark Assignment Agreement ("Agreement") is made and entered into by and between ZB, N.A., a national banking association, successor by merger to Zions First National Bank, a national association ("Assignor"), and ZB, N.A., a national banking association ("Assignee").

In connection with the consolidation of several affiliated banking entities into a single entity, Assignor hereby irrevocably conveys, transfers and assigns to Assignee, all of Assignor's right, title and interest in and to all of its trademarks, including, without limitation, all of the trademarks identified on the attached Exhibit A, which is incorporated by reference ("Assigned Trademarks"). The Assigned Trademarks include (a) the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks, (b) the Assigned Trademarks whether registered, unregistered or arising by any applicable law of any jurisdiction throughout the world, (c) all registrations and applications for registration of the Assigned Trademarks, (d) issuances, extensions and renewals of such registrations and applications, (e) all licenses and similar contractual rights with respect to any of the Assigned Trademarks granted by Assignor to any third party, (f) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing, (g) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by any applicable law of any jurisdiction throughout the world, and (h) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages. Pursuant to 15 USC Section 1060, this assignment includes all intent to use applications (filed under 15 USC Section 1051(b)) of Assignor.

2. Recordation and Further Actions. Assignor authorizes the Commissioner for Trademarks of the United States Patent and Trademark Office ("USPTO"), and any other national, federal, and state government officials to record and register this Agreement upon request by Assignee. Assignor shall execute any and all documents and take all other further actions as reasonably requested by Assignee to transfer ownership of the Assigned Trademarks including, but not limited to, assignments, transfers and related powers of attorney.

3. Cooperation. Assignor agrees not to challenge Assignee's rights in and to the Assigned Trademarks, or to take any action whatsoever with respect to the Assigned Trademarks, except as specifically requested or consented to in writing by Assignee, or as provided under this Agreement. Assignee shall have the sole right to sue for infringement of the Assigned Trademarks for any claims arising or accruing prior to or after the date of

the execution of this Agreement, and to collect all damages and profits for all such claims and causes of action.

6. General.
