RECITALS

WHEREAS, the Sellers and the Purchaser have entered into that certain Asset Purchase Agreement, dated as of February 27, 2015 (the "Asset Purchase Agreement"), pursuant to which, among other things, the Sellers have agreed to sell, convey, assign, transfer and deliver to the Purchaser all rights, titles and interests of the Sellers in and to the Assigned Trademarks (as defined below), and the Purchaser has agreed to acquire and accept all rights, titles and interests of the Sellers in and to the Assigned Trademarks from the Sellers.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assigned Trademarks. "Assigned Trademarks" means the trademark and service mark registrations and applications listed on Schedule 1 attached hereto.

2. Assignment. Each of the Sellers does hereby sell, convey, assign, transfer and deliver to the Purchaser all right, title and interest of the Sellers in and to the Assigned Trademarks for the Purchaser's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Sellers if this Trademark Assignment and sale had not been made, together with the goodwill symbolized by the Assigned Trademarks, and all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, the right to sue and recover damages for past, present and future infringement or dilution of any of the Assigned Trademarks.

3. Recordation. Each of the Sellers hereby requests and authorizes the Commissioner of Patents and Trademarks, and any other applicable governmental entity, to record the Purchaser as the owner of the Assigned Trademarks, as assignee of the entire right, title and interest in and to the same. The Purchaser shall have the right to record this Trademark Assignment with all applicable governmental entities so as to perfect its ownership of the Assigned Trademarks.

4. Counterparts. This Trademark Assignment may be executed in counterparts, and by the parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by

facsimile transmission or by e-mail of a .pdf attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

5. Further Assurances. Each of the parties hereto agrees to execute and deliver such documents, and to take such actions, as may be reasonably requested by the other party to give effect to this Trademark Assignment and to vest, perfect, confirm, record or otherwise reflect the parties' rights as set forth herein.

6. Governing Law; Submission of Jurisdiction; Waiver of Jury Trial.

(c) This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to any conflicts of law principles thereof to the extent such principles would permit or require the application of the laws of another jurisdiction.
