ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks is made as of the 31st day of December, 2015 (this "Assignment") by (i) CeloNova BioSciences, Inc., a Delaware corporation ("CeloNova"), (ii) CeloNova BioSciences of Europe B.V., a private limited liability company organized under the laws of The Netherlands ("CeloNova BV"), and (iii) CeloNova Stent, Inc., a Delaware corporation (collectively with CeloNova and CeloNova BV, "Assignors" and each, an "Assignor"), in favor of Boston Scientific Limited, an Irish corporation ("Assignee"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in that certain Asset and Share Purchase Agreement dated as of November 9, 2015 (the "Purchase Agreement"), by and among Assignors, Assignee, and the other parties named therein.

WHEREAS, Assignors are the owners of the trademarks and trademark applications identified in Exhibit 1 attached hereto (the "Assigned Marks");

WHEREAS, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Assignor desires to sell, transfer, assign and set over unto Assignee all right, title and interest of such Assignor in and to the Assigned Marks, pursuant to the Purchase Agreement;

WHEREAS, pursuant to the Purchase Agreement, each Assignor has agreed to execute and deliver all documents as the Buyer may reasonably request of Assignors to effect the transactions contemplated by the Purchase Agreement, including all instruments of assignment and transfer with respect to the Acquired Assets (including the Assigned Marks) as the Buyer may reasonably request and as may be necessary to vest in the Buyer good and valid title to all of Assignors' right, title and interest in, to and under the Acquired Assets (including the Assigned Marks), in each case subject to no Encumbrances other than Permitted Encumbrances; and

NOW, THEREFORE, for good and valuable consideration, including the representations, warranties, covenants and agreements contained in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, each Assignor does hereby sell, assign, transfer and set over unto Assignee, its successors and assigns, all right, title and interest in and to (i) the Assigned Marks, whether registered or unregistered, together with all common law rights with respect thereto in the United States and throughout the world, including all registrations thereof, and any renewals and extensions of such registrations, (ii) the goodwill symbolized by and associated with the Assigned Marks, (iii) the right to sue and recover for, and the right to profits or damages due or accrued arising out of or in connection with, any and all past, present or future infringements or dilution of or injury to the Assigned Marks or such associated goodwill, and (iv) any and all other corresponding rights that have been, or hereafter may be, secured throughout the world with respect to the Assigned Marks. Each Assignor further agrees to execute and has executed all documents, instruments and papers and to perform all acts, without any further consideration, as reasonably requested by Assignee, its successors and assigns, to perfect in Assignee, its successors and assigns, the foregoing rights, title and interests, including the execution of any related domestic or foreign application or assignment documents.

Each Assignor hereby authorizes and requests the Director of the United States Patent and Trademark Office, and any other official throughout the world whose duty is to register and record trademark registrations and applications therefor, to record Assignee as the owner of the applicable Assigned Marks.

This Assignment is subject in all respects to the terms and conditions of the Purchase Agreement, which are incorporated herein by reference. This Assignment is given to further evidence (and give immediate effect to) the transfers and assignments contemplated by the Purchase Agreement upon the terms and conditions specified therein. Nothing contained in this Assignment shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, reduce, enlarge or in any way affect the provisions, including warranties, covenants, agreements, conditions, representations or, in general, any of the rights and remedies, and any of the obligations, of any party to the Purchase Agreement set forth therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement will govern.

This Assignment shall be governed by, and construed in accordance with the laws of the State of Delaware, United States, without regard to conflicts of law principles.

This Assignment may be executed in multiple counterparts, each of which will be deemed an original, but all such counterparts taken together will constitute one and the same Assignment. Copies of executed signature pages delivered by facsimile or other electronic means (*i.e.*, .pdf or .tif) shall be deemed originals.
