ASSIGNMENT OF SELLER INTELLECTUAL PROPERTY

THIS ASSIGNMENT OF SELLER INTELLECTUAL PROPERTY (the "Assignment") made as of this 30th day of November, 2015, by ALLEGRO CORPORATION, an Oregon corporation and SOMERSET GROUP LTD., an Oregon corporation (collectively the "Assignor"), to DIGITAL FUNDING LLC, a Delaware limited liability company (the "Assignee").

RECITAL:

Assignee and Assignor are parties to a Master Recording Purchase Agreement, dated as of November 30, 2015 (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee, and Assignee has agreed to buy from Assignor, the Purchased Assets (as defined in the Agreement), including without limitation the Seller Intellectual Property (as defined in the Agreement). Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure, and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee, all of such assets.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title, and interest in and to all of Assignor's copyrights arising out of or related to the master video and audio recordings described in the Agreement (the "Recordings"), including but not limited to the copyrights listed on Exhibit 1.1(g) of the Agreement, all registrations for them, all applications pending for them, all of Assignor's trade names and trademarks arising out of or relating to the Recordings, all registrations for them and all applications pending for them, and all of Assignor's other proprietary and intangible property arising out of or relating to the Recordings (all of the foregoing being referred to herein as the "Assignor Intellectual Property").

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and in the Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title, and interest in, to, and under the Assignor Intellectual Property, and all rights to sue for infringement of any Assignor Intellectual Property, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without regard to the principles of conflicts of laws thereunder.

Facsimile transmission of any signed original document, and retransmission of any signed facsimile transmission, will be the same as delivery of an original. At the request of any party, the parties will confirm facsimile transmitted signatures by signing an original document.

I

IN WITNESS WHEREOF, Assignor has caused its duly authorized officer to execute this Assignment as of the date first above written.

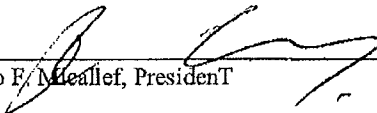

ASSIGNOR:

ALLEGRO CORPORATION,
an Oregon corporation

By: 

Vincent A. Micallef, Chief Financial Officer

SOMERSET GROUP, LTD.,
an Oregon corporation

By: 

Rico E. Micallef, President
