TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") dated as of December 31, 2015, is made by INCASE DESIGNS CORP., a California corporation (together with its successors and assigns, the "Grantor") and GOODE INCIPIO HOLDCO, LLC, as agent (in such capacity, the "Agent"), for the benefit of the Holder (as defined in the Promissory Note referred to below):

RECITALS:

WHEREAS, pursuant to that certain Guaranty and Collateral Agreement dated as of the date hereof (including all annexes, exhibits and schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the "Guaranty and Collateral Agreement") made by Grantor and the other grantors party thereto in favor of Goode Incipio Holdco, LLC as agent, Grantor has granted to Agent for the ratable benefit of the Holders a continuing security interest in all of its Collateral (including all right, title and interest of Grantor in, to and under the trademark Collateral described below), whether now owned or existing or hereafter acquired or arising, to secure the Secured Obligations (as defined in the Guaranty and Collateral Agreement).

NOW, THEREFORE, in consideration of the premises and agreements set forth herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Grantor (intending to be legally bound) hereby agrees as follows:

1. Defined Terms. The Guaranty and Collateral Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Guaranty and Collateral Agreement.

2. Grant of Security Interest. As collateral security for the prompt and complete payment when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations, Grantor hereby pledges and grants to the Agent, for the ratable benefit of the Holders and (to the extent provided in the Guaranty and Collateral Agreement) their Affiliates, a continuing security interest in all right, title and interest of Grantor in and to certain Collateral, whether now existing or hereafter acquired, which includes the following:

(i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers now held or hereafter acquired by Grantor, any registration or recording of the foregoing or any thereof, and any application in connection therewith, including, without limitation, any such registration, recording, or application in the United States Patent and Trademark Office or in any similar office or agency of the United States, or any State thereof (including, without limitation, those trademark registrations and applications listed on Exhibit A to this Agreement);

(ii) all renewals of any of the foregoing;

(iii) all rights to sue for past, present or future infringements of any of the foregoing;

(iv) all good will of the business of the Grantor connected with and symbolized by any of the foregoing; and

(v) all Proceeds of any and all of the foregoing.

3. Reference to Separate Agreements. This Agreement has been entered into by Grantor and the Agent primarily for recording purposes. Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Agent (or, if and as applicable, the Holders) under and pursuant to the Guaranty and Collateral Agreement (or the Promissory Note identified therein) but rather is intended to facilitate the exercise of such rights and remedies. Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement and the Guaranty and Collateral Agreement (and the Promissory Note identified therein), all rights and remedies allowed by law, in equity, and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in New York. In the event of any inconsistency between any of the terms or provisions hereof and the terms and provisions of the Guaranty and Collateral Agreement, the terms and provisions of the Guaranty and Collateral Agreement shall govern.

4. Governing Law. THIS AGREEMENT AND ALL ISSUES, DISPUTES AND CLAIMS ARISING OUT OF OR IN ANY WAY IN CONNECTION WITH THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

5. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof and shall be deemed an original signature hereunder.

6. Subordination. Notwithstanding anything herein to the contrary, this Agreement and the rights and obligations evidenced hereby are subject to and are subordinate in the manner and to the extent set forth in the Intercreditor Agreement (as defined in the Guaranty and Collateral Agreement) to the indebtedness (including interest) owed by the Borrower and the other Grantors pursuant to the Senior Credit Agreement (as defined in the Promissory Note, as identified in the Guaranty and Collateral Agreement). As among the Senior Secured Parties (as defined in the Intercreditor Agreement) and the Subordinated Creditor (as defined in the Intercreditor Agreement), in the event of any conflict between the terms of the Intercreditor Agreement and this agreement, the terms of the Intercreditor Agreement shall govern and control.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the undersigned has duly executed this Trademark Security Agreement as of the date first written above.
