TRADEMARK COLLATERAL SECURITY AGREEMENT

This TRADEMARK COLLATERAL SECURITY AGREEMENT, dated as of November 13, 2015 (this "Agreement"), by and among the Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and HSBC BANK USA, NATIONAL ASSOCIATION ("Lender").

WHEREAS, pursuant to that certain Loan and Security Agreement, dated as of November 13, 2015 (as amended, restated, supplemented, or otherwise modified from time to time, the "Loan Agreement"), by and among OTR WHEEL ENGINEERING, INC., a Georgia corporation ("Parent"), LONG'S WHEEL & RIM, INC., a Florida corporation ("Long's"; and together with Parent, each a "US Borrower" and collectively, the "US Borrowers"), OTR WHEEL ENGINEERING EUROPE LIMITED, a company organized in Ireland (the "European Borrower"; and together with the US Borrowers, each a "Borrower" and collectively, the "Borrowers"), the Guarantors identified on the signature pages thereto and Lender, Lender has agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, pursuant to the Loan Agreement, the Grantors are required to execute and deliver to Lender this Agreement:

Section 1. Terms. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Loan Agreement.

Section 2. Confirmation of Grant of Security Interest.

(a) Each Grantor hereby grants to Lender to secure the Obligations, a continuing security interest in all of such Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter acquired or arising:

(i) each trademark owned by such Grantor, including, without limitation, each Trademark referred to in Schedule I hereto, but excluding any United States intent-to-use trademark application to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under Applicable Law;

(ii) all renewals and extensions of the foregoing; and

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by such Grantor against third parties for past, present or future infringement of any trademark owned by such Grantor (including, without limitation, any trademark identified in Schedule I hereto).

(b) Except to the extent permitted by the Loan Agreement, each Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Trademark Collateral.

Section 3. The Loan Agreement. The foregoing security interest granted to Lender is confirmed in furtherance, and not in limitation, of the security interests granted by the Grantors to Lender pursuant to the Loan Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any of the provisions of this Agreement are deemed to conflict with any of the provisions of the Loan Agreement, the provisions of the Loan Agreement shall govern.

Section 4. Authorization to Supplement. If any Grantor shall obtain rights to any new trademark application or issued trademark or become entitled to the benefit of any trademark application or trademark for any renewal or extension of any existing trademark or trademark application, the provisions of this Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Lender with respect to any such new trademark rights. Without limiting Grantors' obligations under this Section, Grantors hereby authorize Lender unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or detract from Lender's continuing security interest in all Collateral, whether or not listed on Schedule I.

Section 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single agreement. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

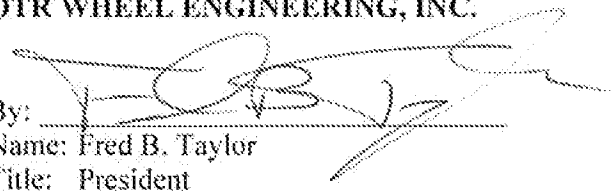

Section 6. Further Assurances. Each Grantor shall execute and deliver such other documents and to take all such other actions which Lender, its successors and/or assigns may reasonably request to effect the terms of this Agreement, and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Agreement and its recordation in all applicable jurisdictions.

Section 7. Governing Law. This Agreement shall be governed by and construed in accordance with the law of the State of New York.
