GAF XT Compared To NEI Mat

Summary

In 2010 GAF came out with a product called "XT" that we believed infringed on our patents (6,531,200 and 6,296,912). We consulted with our attorney in or around October 2011 and, based on his advice, decided not to pursue the matter further.

GRACE Ice & Water Traction Surface Compared to NEI Non-Reinforced Patented Traction Surface

Summary

WR Grace had a patent application E11/931,283 that they had filed that we believed was an infringement on one of our patents- 6,385,934. On 1/7/2011 Grace abandoned the application. The notice indicated that the attorney of record confirmed the abandonment.
