TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT ("Agreement") is effective as of the 1st day of July, 2015, immediately following (i) the assignment and assumption by Bayer HealthCare LLC's ("BHC") sole member, Bayer Medical Care Inc., of certain BHC assets and liabilities and (ii) Bayer Medical Care Inc.'s contribution of certain BHC receivable assets to BHC (the "Effective Date") by and between Dr. Scholl's LLC, a limited liability company organized and existing under the laws of the State of Delaware, and having an office at 100 Bayer Boulevard, Whippany, NJ 07981 (hereinafter referred to as the "Assignor") and Bayer Healthcare LLC, a limited liability company organized and existing under the laws of the State of Delaware, and having an office at 100 Bayer Boulevard, Whippany, NJ 07981 (hereinafter referred to as the "Assignee").

WHEREAS, Assignor owns certain trademarks, service marks, and related registrations including, but not limited to, those listed in Annex A hereto in the United States and Puerto Rico (the "Trademarks"); and

WHEREAS, Assignor wishes to assign its Trademarks to Assignee, and Assignee wishes to acquire the Assignor's Trademarks.

NOW THEREFORE, the parties hereto agree as follows:

1. In consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns to Assignee, and the Assignee hereby accepts, any and all right, title and interest in and to the Trademarks, including all associated goodwill.

2. Assignor hereby divests itself of all right, title, and interest in and to Assignor's Trademarks and conveys all right, title, and interest in and to Assignor's Trademarks to Assignee, who shall hold such right, title, and interest in place of Assignor.

3. Assignee shall be solely responsible, at its own cost and expense, for registering, recording or taking any other steps necessary to perfect this assignment of the Trademarks to Assignee. Assignee is responsible for preparing and providing all legal documents reasonably necessary for the recordation of the assignment. Assignor will countersign all legal documents necessary for the recordation of the assignment.

4. Each party shall at its own cost and expense execute and deliver such further documents and instruments, including but not limited to assignment documents, and shall take such other actions as may be reasonably required or appropriate to evidence or carry out the intent and purposes of this Agreement.

5. This Agreement and all amendments, modifications, alterations or supplements hereto, shall be construed under, governed by, and the legal relations between the parties hereto determined in accordance with the laws of the State of Delaware, without reference to its choice of laws provisions. Any amendments, modifications, alterations, or supplements to this Agreement shall be made in writing to be legally effective.

6. If any one or more provisions of this Agreement is or becomes invalid, the

parties agree to replace said provisions with valid provisions that approximate, as closely as possible, the intent of the original provision. If the parties cannot agree on one or more replacement provisions, the invalidity of any one or more provisions of this Agreement shall not affect the validity of this Agreement as a whole, unless the invalid provisions are of such material importance to the Agreement that it is reasonable to assume that the parties would not have executed the Agreement without them.

7. Except as otherwise provided in this Agreement, every covenant, term and provision of this Agreement shall be binding upon and inure to the benefit of the party and its respective heirs, legatees, legal representatives, successors, transferees and assigns.

8. This Agreement is not intended and shall not be construed to be for the benefit of any person or entity other than the parties, an indemnitee or a successor or permitted assignee thereof.

9. This Agreement may be executed in any number of counterparts with the same effect as if all of the parties hereto had signed the same document. All counterparts shall be construed together and shall constitute one agreement.

10. Each party acknowledges that it has read this Agreement, understands it and agrees to be bound hereby, and represents and warrants that the individual executing this Agreement on its behalf is duly authorized to enter into this Agreement.
