TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this “**Assignment**”), is entered into as of January 31, 2016 by and between TransMontaigne Product Services LLC, a Delaware limited liability company (“**Assignor**”) and TransMontaigne GP L.L.C., a Delaware limited liability company (the “**Assignee**”).

WHEREAS, this Assignment is being executed and delivered in connection with that certain Purchase Agreement dated as of January 7, 2016 (the “**Purchase Agreement**”), pursuant to which, among other things, Gulf TLP Holdings, LLC, a Delaware limited liability company (“**Buyer**”), has agreed to purchase from TransMontaigne Services LLC, a Delaware limited liability company (“**Seller**”), and Seller has agreed to sell to Buyer, all of the issued and outstanding membership interests of Assignee, upon the terms and conditions set forth therein.

WHEREAS, in connection with the Purchase Agreement, Seller has agreed to cause Assignor to transfer to Assignee certain Intellectual Property Rights, including intellectual property rights associated with the trademarks and service marks identified on the attached Schedule A (the “**Assigned Trademarks**”), effective as of the Effective Date.

WHEREAS, in accordance with the Purchase Agreement, Assignor desires to assign and Assignee desires to acquire the Assigned Trademarks, including all goodwill associated therewith and symbolized thereby.

NOW THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

1. Definitions. Unless otherwise defined herein, each capitalized term used herein shall have the meaning assigned thereto in the Purchase Agreement.

2. Assignment. Assignor does hereby irrevocably sell, assign, convey, transfer and deliver to Assignee, its successors and assigns: (a) all of Assignor’s worldwide right, title and interest in and to the Assigned Trademarks, including, without limitation, any registrations, applications, renewals and extensions therefor, together with the ongoing and existing business of Assignor to which the Assigned Trademarks pertain and the goodwill associated with the Assigned Trademarks and symbolized thereby, effective as of the Effective Date; and (b) all other rights accruing thereunder or pertaining thereto in any jurisdiction throughout the world for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors and assigns, as full and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, including: (i) claims, causes of actions and rights to pursue and collect damages, costs, injunctive relief and other remedies for past, current or future infringement, misappropriation, dilution, conflict with or other violation of any of the foregoing, and all income, royalties or payments due or payable as of the Effective Date or thereafter in respect of any of the foregoing and (ii) rights to apply in any or all countries of the world for trademark protection for the Assigned Trademarks, in each case, effective as of the Effective Date.

3. Recordation. Assignor hereby authorizes and requests the Commissioner for Patents and Trademarks and any other applicable governmental authority or registrar to record and register Assignee as the owner of the Assigned Trademarks, and to issue any and all Assigned Trademarks to Assignee, as assignee of all of Assignor's right, title and interest in and to the Assigned Trademarks. Assignee shall have the right to record this Assignment with all applicable governmental authorities and registrars so as to perfect ownership of the Assigned Trademarks.

4. Purchase Agreement. Notwithstanding anything in this Assignment to the contrary, nothing in this Assignment, express or implied, is intended or shall be construed to modify, expand or limit in any way the terms and conditions of the Purchase Agreement, all of which shall survive the delivery of this Assignment to the extent provided in the Purchase Agreement. To the extent that any provision of this Assignment conflicts or is inconsistent with the terms and conditions of the Purchase Agreement, the Purchase Agreement will govern.

5. Further Assurances. Assignor shall provide Assignee, its successors and assigns with all such assistance as it may reasonably request to confirm or for the full utilization of the rights granted in Section 2, above, including, without limitation, upon request by Assignee to execute any further documents or instruments necessary or desirable to confirm, record or otherwise carry out the purposes or intent of this Assignment Agreement. Assignor acknowledges and agrees that Assignee or any of its Affiliates may record and perfect this Assignment or such documentation in any jurisdiction throughout the world, and Assignor shall cooperate therewith, at Assignee's expense.

[Remainder of page intentionally left blank; signature page to follow.]

IN WITNESS WHEREOF, each of the parties hereto has executed and delivered this Assignment as of the date first above written.
