## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "Assignment Agreement") is made and entered into as of January 29, 2016, by and among Fuhu, Inc., a Delaware corporation ("Seller"), Fuhu Direct, Inc., a Delaware corporation, Fuhu Holdings, Inc., a California corporation, and Nabi, Inc., a Delaware corporation (collectively, together with the Seller, the "Selling Entities" and each individually, a "Selling Entity"), and Mattel, Inc., a Delaware corporation (the "Buyer"). The Selling Entities and the Buyer are collectively referred to herein as the "Parties" and individually as a "Party."

**WHEREAS**, the Selling Entities and the Buyer are parties to that certain Asset Purchase Agreement dated as of January 21, 2016 (as amended, supplemented, or modified, the "Purchase Agreement"), pursuant to which the Buyer has agreed to purchase from the Selling Entities, and the Selling Entities have agreed to sell to the Buyer, substantially all of the Selling Entities' assets, and the Buyer has agreed to assume from the Selling Entities certain specified liabilities, in each case pursuant to the terms and subject to the conditions set forth in the Purchase Agreement and further subject to Orders by the Bankruptcy Court in the Bankruptcy Case; and

**WHEREAS**, in connection with the Closing of the transactions contemplated by the Purchase Agreement, each of the Selling Entities and the Buyer has agreed to deliver this Agreement to the other Party.

**NOW, THEREFORE**, in accordance with the Purchase Agreement and in consideration of the premises and the mutual covenants and agreements contained herein and therein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Selling Entities and the Buyer, intending to be legally bound, hereby agree as follows:

### ASSIGNMENT

**Section 1. Definitions.** Capitalized terms used but not defined in this Assignment Agreement shall have the meanings assigned thereto in the Purchase Agreement.

**Section 2. Assignment.**

(a) Upon the terms contained in the Purchase Agreement and pursuant to the terms of the Sale Order, each Selling Entity hereby sells, assigns, conveys, transfers, and delivers to the Buyer and its successors and assigns, effective as of the Closing, all of such Selling Entity's right, title, and interest, free and clear of all Encumbrances (other than the Permitted Encumbrances), in and to all of the Seller IP (including, but not limited to, all of the Seller IP identified in Section 5.11(a) of the Seller Disclosure Schedule and the Intellectual Property Rights and Technology set forth on Schedule 1 hereto), together with any and all goodwill in connection therewith.

(b) The assignments described in this Section 2 include all claims (including claims for past infringement or misappropriation of Seller IP) and causes of action (other than, in each case, to the extent solely related to Excluded Assets or Excluded Liabilities) of the Selling

Entities as of the Closing against any and all Persons (including any Acquired Subsidiary) (regardless of whether or not such claims and causes of action have been asserted by the Selling Entities) and all rights of indemnity, warranty rights, rights of contribution, rights to refunds, rights of reimbursement, and other rights of recovery, including rights to insurance proceeds, possessed by the Selling Entities and any Acquired Subsidiary as of the Closing (regardless of whether such rights are currently exercisable) to the extent related to the Seller IP.

**Section 3. Liabilities not Assumed.** The Buyer shall not assume or be obligated to pay, perform, or otherwise discharge any of the Excluded Liabilities.

**Section 4. Terms of the Purchase Agreement.** Each of the Selling Entities and the Buyer acknowledges and agrees that the representations, warranties, and agreements contained in the Purchase Agreement, and any limitations thereto, shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. This Assignment Agreement is subject in all respects to the terms of the Purchase Agreement and, in the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

**Section 5. Succession and Assignment.** This Agreement and all of the provisions hereof shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns, including, in the case of the Selling Entities, any trustee in the Bankruptcy Case (or in a case under Chapter 7 of the Bankruptcy Code); *provided, however,* that no assignment by any Party shall relieve such Party of any of its obligations hereunder.

**Section 6. Governing Law.** Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Assignment Agreement, and all claims and causes of action arising out of, based upon, or related to this Assignment Agreement or the negotiation, execution, or performance hereof, shall be governed by, and construed, interpreted, and enforced in accordance with, the Laws of the State of Delaware, U.S.A., without regard to choice or conflict of law principles that would result in the application of any Laws other than the Laws of the State of Delaware.

**Section 7. Headings.** The section headings contained in this Assignment Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Assignment Agreement.

**Section 8. Counterparts and Facsimile Signature.** This Assignment Agreement may be executed by facsimile or pdf format and in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement, and which shall become effective when one or more counterparts have been signed by each of the Parties and delivered (by facsimile, pdf format, or otherwise) to the other Parties.
