PATENT AND TRADEMARK ASSIGNMENT

This Patent and Trademark Assignment (this "*Assignment*"), made effective as of 11:00:00 p.m. Central European Time on December 31, 2015 (the "*Effective Time*") is entered into by and between Tellus Oilfield Inc., a Delaware corporation with its principal place of business at 3990 Rogerdale Road, Houston, TX 77042 ("*Assignor*"), and CJ Lux Holdings S.à r.l., a Luxembourg private limited liability company (*société à responsabilité limitée*), having its registered office at 15, rue Edward Steichen, L-2540 Luxembourg, Grand Duchy of Luxembourg (the "*Assignee*"). The Assignor and the Assignee are each referred to individually as "*Party*," and collectively as "*Parties*."

Assignor and Assignee have entered into a Purchase and Sale Agreement, effective as of the Effective Time, pursuant to which Assignor has agreed to assign to Assignee the patent applications and trademark application set forth on the attached Schedule 1 (the "*Assigned Intellectual Property*").

In consideration of the promises and covenants set forth in this Assignment and in the Purchase and Sale Agreement, the Parties agree as follows:

Assignor hereby, absolutely and unconditionally, conveys, sells, assigns, transfers, grants and sets over unto the Assignee, all of the Assignor's right, title and interest and benefit in and to the Assigned Intellectual Property owned by the Assignor as of the Effective Time, together with all rights of action, both at law and in equity with respect thereto, including all rights to sue, settle any claim, and collect all damages and lost profits for any past, present, or future infringement, misappropriation, dilution, or violation of the Assigned Intellectual Property, including the goodwill associated with any of the trademarks included in the Assigned Intellectual Property, the same to be held and enjoyed by the Assignee, its successors and assigns forever, as fully and entirely as the same could have been held and enjoyed by the Assignor if this sale had not been made and the Assignee does hereby accept such sale, assignment, transfer, grant, conveyance and set over.

[Signature page follows.]

IN WITNESS WHEREOF, the Assignor and the Assignee have executed this Agreement as of the Effective Time.
