WHEREAS, the Secured Parties are willing to make, extend and maintain the Credit to and for the benefit of the Assignor, but only upon the condition, among others, that the Assignor shall grant a security interest in and assign for security purposes (and not as an absolute assignment) in favor of and to the Assignee, on behalf of and for the benefit of the Secured Parties, in and to, all of Assignor's right, title and interest in and to all Trademarks (as described below) to secure its payment and performance of the Secured Obligations.

(b) the goodwill of the business connected with the use of, and symbolized by, each Trademark.

The Assignee does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the assignment of and security interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference.

Following the termination of the Security Agreement in accordance with its terms, the Trademarks, the goodwill thereof and any and all financing statements filed on behalf of the Assignee will be automatically terminated, released, and/or reassigned to the Assignor, and the Assignee will execute, acknowledge and deliver to each Assignor such instruments as may be reasonably requested to evidence such termination, release, and/or reassignment.
