TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Agreement") is made as of January 20, 2016 (the "Effective Date"), by and between Baker Hill Acquisition, LLC, a Delaware limited liability company, having a place of business at 12655 SW Center Street, 100 Cascade Plaza West, Beaverton, OR 97005 ("Assignor"), and Baker Hill Solutions, LLC, a Delaware limited liability company, having a place of business at 12900 North Meridian, Suite 200, Carmel, IN 46032 ("Assignee").

WHEREAS, Assignor is the owner of the entire right, title and interest in, and to, the trademarks listed on attached Schedule A (collectively, the "Trademarks"), the applications and registrations pertaining thereto, all common law rights associated therewith, together with all goodwill associated with and arising from use of and symbolized by the foregoing; and

WHEREAS, Assignee, at its request and direction, wishes to acquire and Assignor, who is wholly owned subsidiary of Assignee, wishes to assign all of Assignor's right, title, and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Assignor hereby irrevocably sells, assigns, transfers, and sets over to Assignee all of Assignor's right, title, and interest in and to the Trademarks, including any common laws rights to such Trademarks and together with the goodwill of the business in connection with which the Trademarks are used, the portion of the business of Assignors to which any intent-to-use trademarks set forth on Schedule A pertains, and all trademark applications, registrations, renewals, and extensions of the foregoing, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of its successor's, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Effective Date or thereafter related to any of the foregoing, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as owner of the Trademarks and issue any and all registrations issued thereon to Assignee, as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of Assignee and its successors, assigns, or other legal representatives.

Assignor shall provide Assignee, its successors, assigns, or other legal representatives, cooperation and assistance at Assignee's request and without further compensation (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney, or other documentation) as may be reasonably required in the implementation or perfection of this Assignment and in the preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademarks.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. It shall not be necessary in making proof of this Agreement or any counterpart hereof to produce or account for any of the other counterparts.

[Signature Page Follows]

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be duly executed as of the date first above written.
