## TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") is entered into as of the date of Assignor's (as defined below) signature below (the "Effective Date"), by and between CastleLine Holdings, LLC ("Assignor" or "CastleLine"), a limited liability company incorporated under the laws of the state of Delaware, and Altisource Solutions S.à r.l., a private limited liability company ("*société à responsabilité limitée*") incorporated under the laws of the Grand Duchy of Luxembourg ("Assignee" or the "S.à r.l.").

**WHEREAS**, CastleLine is the owner of the entire right, title, and interest in, to, and under those United States trademarks and applications listed on Exhibit A and the goodwill associated with all of the foregoing (collectively, the "Trademarks"); and

**WHEREAS**, the S.à r.l., at its request and direction, wishes to acquire and CastleLine wishes to assign all of CastleLine's right, title, and interest in and to the Trademarks.

**NOW, THEREFORE**, for good and valuable consideration (including the premises and covenants set forth in the Purchase Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. CastleLine hereby irrevocably sells, assigns, transfers and sets over to the S.à r.l. all of CastleLine's right, title, and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademarks are used, and all registrations, renewals, and extensions of the foregoing, now or hereafter in effect, for the S.à r.l.'s own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by CastleLine if this Trademark Assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Effective Date or thereafter related to any of the foregoing, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for the S.à r.l.'s own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.
2. CastleLine authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record the S.à r.l. as owner of the Trademarks and issue any and all registrations issued thereon to the S.à r.l., as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of the S.à r.l. and its successors, assigns, or other legal representatives.

3. CastleLine shall provide the S.à r.l., its successors, assigns, or other legal representatives, cooperation and assistance at the S.à r.l.'s request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation) as may be reasonably required in the implementation of perfection of this Trademark Assignment and in the preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademarks.
4. This Trademark Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Copies (facsimile, photo static or otherwise) of signatures to this Trademark Assignment shall be deemed to be originals, and may be relied on to the same extent as the originals.
5. Except to that extent that federal law preempts state law with respect to the matters covered hereby, this Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of laws thereof.

**[SIGNATURE PAGE FOLLOWS]**

**IN WITNESS WHEREOF**, the Parties have executed and delivered this Assignment as of the date first written above.
