3. Debtor's Representations, Warranties and Covenants.

3.1. Collateral. Debtor hereby represents and warrants that (i) except for the security interest granted hereby, Debtor is, or to the extent that this Security Agreement provides that the Collateral is to be acquired after the date hereof will be, the owner of the Collateral free and clear of all liens, pledges, security interests or other encumbrances of any nature whatsoever;

3.8. Survival of Representations and Warranties. All representations and warranties made by Debtor in this Security Agreement shall survive the execution and delivery of this instrument until such time as all payments due to Secured Party and all other Obligations Secured hereby shall have been paid or otherwise satisfied in full.

4. Debtor's Rights with Respect to Collateral. Unless and until the occurrence of an Event of Default (as defined in Section 5.1 hereof), Debtor shall have the right to utilize the Collateral in the ordinary course of its business and to substitute or replace the Collateral in accordance with Section 3.7 hereof, but shall not have the right to sell, lease or otherwise dispose of or transfer the Collateral or any interest therein without the prior written consent of Secured Party.

A waiver by Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which Secured Party would otherwise have had on any future occasion. No failure to exercise or any delay in exercising on the part of Secured Party any right, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided are cumulative and not exclusive of any rights and remedies provided by law.

7. Power of Attorney. The Debtor does hereby make, constitute and appoint any officer or agent of the Secured Party as the Debtor's true and lawful attorney-in-fact, with power to (a) endorse the name of the Debtor or any of the Debtor's officers or agents upon any notes, checks, drafts, money orders, or other instruments of payment or Collateral that may come into the Secured Party's possession in full or part payment of any Obligations; (b) sue for, compromise, settle and release all claims and disputes with respect to, the Collateral; and (c) sign, for the Debtor, such documentation required by the UCC, or the U.S. Patent and Trademark Office, or supplemental intellectual property security agreements; granting to the Debtor's said attorney full power to do any and all things necessary to be done as fully and effectually as the Debtor might or could do to transfer the Trademarks and related intellectual property to Secured Party.
