TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of February 19, 2016, by each of the parties signatory hereto as a "Grantor" (each a "Grantor" and collectively "Grantors"), in favor of EXWORKS CAPITAL FUND I, L.P. ("Lender").

WITNESSETH:

WHEREAS, pursuant to that certain Loan and Security Agreement dated as of the date hereof by and among Grantors, the other Loan Party Obligors party thereto and Lender (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Loan Agreement"), Lender has agreed to make certain Loans to or for the benefit of each Grantor, subject to the terms and conditions set forth therein; and

WHEREAS, pursuant to the Loan Agreement, each Grantor is required to execute and deliver to Lender this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS.

(a) All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement.

(b) Trademarks means (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including any of the foregoing referred to in Schedule I hereto, and (b) the right to obtain all renewals thereof.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Lender, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (exclusive of any "intent-to-use" Trademarks to the extent that the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark under applicable federal law) (collectively, the "Trademark Collateral"):

(a) all of its Trademarks to which it is a party, including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark, or (ii) injury to the goodwill associated with any such Trademark.

3. REPRESENTATION AND WARRANTY AND COVENANT. Each Grantor hereby represents and warrants to Lender that Schedule I lists all registered Trademarks owned by such Grantor in its own name on the date hereof. Each Grantor (either itself or through licensees) will (i) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (ii) maintain as in the past the quality of products and services offered under such Trademark, (iii) use such Trademark with the appropriate notice of registration and all other notices and legends required by applicable law, (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless Lender shall obtain a first priority perfected security interest in such mark pursuant to this Agreement, and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark may become invalidated or impaired in any way. Each Grantor will notify Lender immediately if it knows, or has reason to know, that any application or registration relating to any Trademark may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal in any country) regarding, such Grantor's ownership of, or the validity of, any Trademark or such Grantor's right to register the same or to own and maintain the same.

4. LOAN AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Lender pursuant to the Loan Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[signature pages follow]

IN WITNESS WHEREOF, Each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
