- (a) the consideration delivered by the Buyer to the Seller pursuant to this Agreement; and
- (b) those additional assets, properties and rights, if any, set forth on Annex B attached hereto.

For convenience of reference, the assets, properties and rights which are not to be transferred, conveyed and assigned to the Buyer are hereinafter collectively referred to as the "Excluded Assets."

1.3 Instruments of Conveyance and Transfer. At the Closing, the Seller shall deliver (or cause to be delivered) to the Buyer, such bills of sale, endorsements, assignments and other good and sufficient instruments of transfer, conveyance and assignment as shall be necessary to transfer, convey and assign the Purchased Assets to the Buyer (collectively, the "Conveyance Instruments"). Simultaneously therewith, the Seller shall take all steps as may be necessary to put the Buyer in possession and operating control of the Purchased Assets.

1.4 Right of Endorsement. Effective upon the Closing, the Seller hereby irrevocably constitutes and appoints the Buyer, its successors and assigns, the true and lawful attorneys of the Seller with full power of substitution, in the name of the Buyer, or the name of the Seller, on behalf of and for the benefit of the Buyer, to collect all accounts receivable and other items being transferred, conveyed and assigned to the Buyer as provided herein, to endorse, without recourse, checks, notes and other instruments in the name of the Seller, to institute and prosecute, in the name of the Seller or otherwise, all proceedings which the Buyer may deem proper in order to collect, assert or enforce any claim, right or title of any kind in or to the Purchased Assets, to defend and compromise any and all actions, suits or proceedings in respect of any of the Purchased Assets, and to do all such acts and things in relation thereto as the Buyer may deem advisable. The Seller agrees that the foregoing powers are coupled with an interest and shall be irrevocable by the Seller and shall not be affected directly or indirectly, by the dissolution of the Seller or in any manner or for any reason. The Seller further agrees that the Buyer shall retain for its own account any amounts collected pursuant to the foregoing powers, and the Seller shall pay to the Buyer, if and when received, any amounts which shall be received by the Seller after the Closing in respect of any accounts receivable or other assets, properties, rights or business to be transferred, conveyed and assigned to the Buyer as provided herein.

1.5 Further Assurances. The Seller and the Seller's Shareholder shall, at any time and from time to time after the Closing, upon the request of the Buyer and at the expense of the Seller and Seller's Shareholder, do, execute, acknowledge and deliver, and cause to be done, executed, acknowledged or delivered, all such further acts, deeds, transfers, conveyances, assignments, powers of attorney or assurances as may be required for the better transferring, assigning, conveying, granting, assuring and confirming to the Buyer, or for aiding and assisting

in the collection of or reducing to possession by the Buyer, of the Purchased Assets, or to vest in the Buyer, good, valid and marketable title to the Purchased Assets, free and clear of any Encumbrances (as defined in Section 5.6 hereof).

1.6 Assignment of Contracts, Rights. Anything contained in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement or an attempted agreement to transfer, sublease or assign any contract, license, lease, commitment, purchase order, sales order or other agreement or any claim or right of any benefit arising thereunder or resulting therefrom if an attempted transfer, sublease or assignment thereof, without the consent of any other party thereto, would constitute a breach thereof or in any way affect the rights of the Buyer thereunder. The Seller shall use its respective best efforts to obtain the consent of the other party to any of the foregoing to the transfer, sublease or assignment. If such consent is not obtained or if an attempted assignment thereof would be ineffective or would affect the rights of the Seller thereunder such that the Buyer would not in fact receive all such rights, the Seller shall cooperate with the Buyer in any arrangements necessary or desirable to provide for the Buyer the benefits thereunder, including, but not limited to, enforcement for the benefit of the Buyer of any and all rights of the Seller against the other party thereto arising out of the breach or cancellation by such other party or otherwise.

The Buyer hereby agrees that it shall afford, for a period of three (3) years following the Closing, to the Seller and its authorized representatives free and full access, at reasonable times and durations of time and during regular business hours of the Buyer, to all books and records of the Buyer, which relate in any way to the Purchased Business as the same was conducted by the Seller prior to the Closing. The Seller shall treat and maintain as confidential any information so disclosed to the Seller and shall not disclose any of such information without the express written consent of the Buyer.

## ARTICLE II ASSUMPTION OF CERTAIN LIABILITIES

2.1 Liabilities Being Assumed. Except as provided in Section 2.2 hereof or otherwise provided herein and subject to the terms and conditions of this Agreement, simultaneously with the transfer, conveyance and assignment to the Buyer of the Purchased Assets, the Buyer shall assume the following trade liabilities and obligations, and only the following trade liabilities and obligations, of the Seller, in the itemized amounts set forth on Annex C attached hereto.

- (a) accounts payable;
- (b) accrued liabilities; and

(c) all liabilities and obligations of the Purchased Business arising after the Closing under those contracts, licenses, leases, commitments, purchase orders, sales orders and other agreements set forth on Annex C attached hereto which are effectively assigned and transferred to the Buyer as contemplated by Section 1.6 hereof.

For convenience of reference, the liabilities and obligations being assumed by the Buyer as aforesaid are hereinafter collectively referred to as the "Assumed Obligations".

2.2 Liabilities Not Being Assumed. Except as expressly set forth in Section 2.1 above, Buyer shall not assume and shall not be liable or responsible for any debt, obligation or liability of the Business, Seller or any of Seller's Shareholder or any affiliate of Seller, or any claim against any of the foregoing, of any kind, whether known or unknown, contingent or absolute, or otherwise, related to or arising from the ownership or use of the Purchased Assets or operation of the Business prior to Closing, including, but not limited to, any liability or obligation related to or arising from (a) warranty claims, tort or environmental liabilities; (b) the ownership or use of any real property prior to Closing; (c) all expenses, including legal fees and other costs relating to this Agreement and the transactions provided for herein; (d) all obligations of Seller under this Agreement; (e) all obligations and liabilities not specifically assumed by Buyer under Section 2.1 of this Agreement, including, but not limited to any and all obligations relating to (i) bank debt or other borrowed funds; (ii) severance obligations; (iii) funded or unfunded employee benefit plan obligations or (iv) any liability, whether known or unknown, whether asserted or un-asserted, whether absolute or contingent, whether or not accrued, whether or not liquidated, and whether due or to become due, whether arising out of any violation or noncompliance with any laws or legal requirements, including but not limited to environmental liability, liability to any employee or governmental entity, liability for tort, or any injury (whenever arising) to individuals or property as a result of the transfer, assumption, ownership, possession or use of any asset or product manufactured, sold, leased or delivered by Seller at or immediately prior to the Closing; or (v) any other item identified on attached Schedule 2.2 to this Agreement (items (a) through (e) herein collectively referred to as the "Excluded Obligations"). The Seller shall take any and all actions which may be necessary to prevent any persons, firm or governmental authority from having recourse against any of the Purchased Assets or against the Buyer as transferee thereof with respect to any Excluded Obligations.

### ARTICLE III PURCHASE PRICE OF PURCHASED ASSETS

3.1 Purchase Price. The total consideration for the Purchased Assets (the "Purchase Price") shall be equal to the adjusted earnings before interest, taxes, depreciation and amortization for a trailing twelve (12) month period (the "Adjusted LTM EBITDA") at Closing. The Purchase Price shall be paid in accordance with Sections 3.1(a) – (g) of this Agreement. The Closing Payment will be defined and calculated as follows:

BLD801 220241v8

(i) 8.5 x Adjusted LTM EBITDA which is equal to *Redacted*

(ii) Less value of Topco Units,

(iii) Less the sum of *Redacted* which represents the fair market value of the Leased Real Property (the "Leased Real Property Holdback"). The Leased Real Property Holdback will be withheld by Buyer from payment to Seller unless and until Buyer receives an unconditional option to purchase fee simple title and interest in and to the Leased Real Property ("Option to Purchase") from the Grady County (Georgia) Joint Development Authority on terms acceptable to Buyer in its sole discretion. If Buyer does not receive the Option to Purchase, the Leased Real Property Holdback be withheld from Seller by Buyer permanently, and will be considered by the parties as a corresponding reduction of the Purchase Price.

(iv) For purposes of this Agreement, the term "Adjusted LTM EBITDA" shall mean the Company's adjusted earnings before interest, taxes, depreciation and amortization for a twelve (12) month look-back period ("LTM") as calculated on and from September 1, 2014 through August 31, 2015.

(b) Topco Units. Of the Purchase Price, Buyer will issue and Seller will receive, *Reduces* of membership units of Topco Holding, LLC, which represents *Redacted* the Common Units of Topco Holdings, LLC as of the Closing Date, determined on an as-converted basis and having a value per unit of *Redacted* ) and an aggregate value at Closing equal to *Redacted* (the "Topco Units"). *Redacted* of Seller's Topco Units will remain subject to Buyer's claims for indemnity against Seller or Seller's Shareholder, if any, pursuant to Article 10.

As partial consideration of the Purchase Price, Seller will receive, in the form of an earn-out (the "Earn-Out") a cash payment for the positive financial performance of the Purchased Assets in Buyer's business from the Closing and ending December 31, 2015 (the "Earn-Out Period"). During the Earn-Out Period, Buyer is required to consult with and obtain approval from Seller, which approval shall not be unreasonably withheld, should any Buyer action have a material direct effect on the Purchase Assets and a corresponding negative impact on Seller's potential Earn-Out. If Buyer, or Buyer's ultimate parent, enters into a transaction for the sale of all or substantially all of Buyer's equity or assets. Seller will be paid *Redacted* ) in lieu of the Earn-Out as calculated herein on the effective date and commensurate with the closing of that certain asset or equity transaction. Any Earn-Out for which Seller is eligible shall be and remain unsecured and subordinate to any and all debt obligations owed by Buyer to its secured lenders, and payment of any Earn-Out shall be conditioned upon Buyer's satisfaction of all covenants provided by Buyer in its credit facilities with Buyer's lenders. Buyer will keep an accounting of

an Adjusted LTM EBITDA relating directly to the Purchased Assets during the Earn-Out Period as though Seller had been conducting the Business using the Purchased Assets during the Earn-Out Period. The Earn-Out, if any, will be paid within three (3) days following completion of Buyer's 2015 audit and no later than May 4, 2016, as follows:

(i) (8.5 x Adjusted LTM EBITDA) less (the Closing Payment).

(ii) For purposes of the Earn-Out, LTM will be the twelve (12) month look-back period from January 1, 2015 to December 31, 2015.

3.2 Working Capital Adjustment to Purchase Price. The Purchase Price shall be adjusted based on Seller's working capital as follows:

(a) Estimated Closing Working Capital. Within five (5) business days prior to the Closing date, Seller will prepare and provide to Buyer an estimate of the Closing Balance Sheet (as defined in Section 3.2(b) below) (the "Estimated Closing Balance Sheet") based on Seller's books, records and other information then available, to determine the Estimated Closing Working Capital, for the purpose of estimating adjustments to the Purchase Price. For purposes of this Agreement, the "Estimated Closing Working Capital" means the aggregate book value of Seller's combined Net Accounts Receivable as defined herein, inventories, prepaid expenses and other current assets included in the Purchased Assets less Seller's accrued liabilities included in the Assumed Obligations (such Estimated Closing Working Capital may be a negative number). "Net Accounts Receivable" shall mean the amount owed in cash, plus credit, less discounts and less any uncollectable accounts that have been identified to a specific customer. For purposes of clarification, Estimated Closing Working Capital will exclude (i) cash and cash equivalents retained by Seller, (ii) Excluded Obligations, (iii) debt which is paid by Seller at Closing, (iv) payroll/commissions/accrued vacation benefits and related taxes and liabilities, (v) intercompany accounts receivable and accounts payable, (vi) sales taxes payable, and (vii) money owed to or from employees and related parties of Seller. At Closing, the Purchase Price and the Closing Payment pursuant to Section 3.1 and Section 3.1(a) respectively will be either (1) reduced, dollar-for-dollar, to the extent the Estimated Closing Working Capital is less than <sup>Reduced</sup> (the "Target Working Capital"), or (2) increased, dollar-for-dollar, to the extent the Estimated Closing Working Capital exceeds the Target Working Capital.

(b) Closing Date Working Capital. As promptly as practicable after the Closing Date, but in no event later than ninety (90) days after the Closing Date, Buyer will prepare and deliver to Seller a balance sheet for the Business as of the close of business on the Closing Date (the "Closing Balance Sheet") for the purpose of establishing the Actual Closing Working Capital. For purposes of this Agreement, the "Actual Closing Working Capital" means the aggregate book value of Seller's Net Accounts Receivable, inventories, prepaid expenses and other current assets included in the Purchased Assets less the Assumed Obligations (such Actual Closing Working Capital may be a negative number) determined from the Closing Balance Sheet. The Closing Balance Sheet shall be accompanied by a reasonably detailed list of

variances from the Estimated Closing Balance Sheet. Within ten (10) business days after final determination delivery to Seller of the Closing Balance Sheet:

(i) if the Actual Closing Working Capital exceeds both the Estimated Closing Working Capital and the Target Working Capital, Buyer will pay to Seller the amount by which the Actual Closing Working Capital exceeds the Estimated Closing Working Capital;

(ii) if the Actual Closing Working Capital exceeds the Estimated Closing Working Capital but is less than the Target Working Capital, Buyer will pay to Seller the amount of the difference between the Estimated Closing Working Capital and the Actual Closing Working Capital;

(iii) if the Actual Closing Working Capital is less than both the Estimated Closing Working Capital and the Target Working Capital, Seller will pay to Buyer the amount of the difference between the Estimated Closing Working Capital and the Actual Closing Working Capital.

(c) Bases for Determination of Estimated and Actual Closing Working Capital. The calculation of the Estimated Closing Working Capital and the Actual Closing Working Capital will be prepared in accordance and consistent with Generally Accepted Accounting Principles ("GAAP").

(d) Procedures for Resolving Closing Balance Sheet Disputes. If Seller disagrees with Buyer's determination of any item on the Closing Balance Sheet, Seller will notify Buyer in writing of such disagreement within sixty (60) calendar days after Buyer's delivery of the Closing Balance Sheet to Sellers, with such notice setting forth the basis for such disagreement in reasonable detail (a "Notice of Disagreement"). During the sixty (60) calendar days' period following delivery by Seller to Buyer of a Notice of Disagreement, the parties will seek in good faith to resolve in writing any differences which the parties have with respect to the matters specified in the Notice of Disagreement, but if they cannot agree within that sixty (60) day period, the parties will submit such disagreement to Grant Thornton LLP, or an national accounting firm, having not been engaged by either party at any time during the ten (10) years immediately preceding the Closing, as mutually agreed upon by the parties (the "Accounting Firm") for review and resolution of all disagreement, but only such disagreement that remains in dispute and were identified in requisite detail in the Notice of Disagreement. The costs and fees of the Accounting Firm will be paid by the party which does not substantially prevail in the resolution of the dispute. The resolution issued by Accounting Firm will be final, conclusive and binding on the parties.

3.3 Allocation of Consideration. The Purchase Price shall be allocated by Buyer and Seller pursuant to Schedule 3.3 hereto. The allocation shall be used for all purposes, including preparation and filing of Internal Revenue Service Form 8594 with respect to the transactions contemplated hereby and the allocation shall be provided through the engagement of

valuation services to be conducted by Valuation Research Corporation, with a process and methodology having been provided to and reviewed by the parties in prior to the engagement of Valuation Research Corporation.

Any attempt by Seller, directly or indirectly, to offer, transfer, sell, pledge, hypothecate, or otherwise dispose of any Topco Units, or any interest therein, or any rights relating thereto (including through any such activity taken with respect to equity of Seller itself), without complying with the provisions of this Agreement and the LLC Agreement, as applicable, shall be void and of no effect.

5.27 Securities Laws Matters. Seller acknowledges receipt of advice from Topco Holding, LLC that: (a) the Topco Units have not been registered under the Securities Act or qualified under any state securities or "blue sky" laws or non-U.S. securities laws; (b) it is not anticipated that there will be any public market for the Topco Units; (c) Seller must continue to bear the economic risk of the investment in the Topco Units unless the Topco Units are subsequently registered under the Securities Act and such state or non-U.S. securities laws or an exemption from such registration is available; (d) a restrictive legend shall be placed on any certificates representing the Topco Units that make clear that the Topco Units are subject to the restrictions on transferability set forth in this Agreement and the LLC Agreement; and (e) a notation shall be made in the appropriate records of Topco Holding, LLC indicating that the Topco Units are subject to restrictions on transfer and, if Topco Holding, LLC should in the future engage the AAA of a transfer agent, appropriate stop-transfer instructions will be issued to such transfer agent with respect thereto.

5.28 Ability to Bear Risk. Seller acknowledges that: (a) the financial situation of Seller is such that it can afford to bear the economic risk of holding the Topco Units for an indefinite period; and (b) Seller can afford to suffer the complete loss of its investment in the Topco Units.

5.29 Access to Information; Sophistication; Lack of Reliance. Seller is familiar with the business and financial condition, properties, operations, and prospects of Topco Holding, LLC and Seller has been granted the opportunity to ask questions of, and receive answers from, representatives of Topco Holding, LLC concerning Topco Holding, LLC and the terms and conditions of the acquisition of the Topco Units and to obtain any additional information that Seller deems necessary to verify the accuracy of the information so provided. Seller's knowledge and experience in financial and business matters is such that Seller is capable of evaluating the merits and risk of the Seller's investment in the Topco Units. Seller and Seller's Shareholder have carefully reviewed the terms and provisions of this Agreement and the LLC Agreement and has evaluated the restrictions and obligations contained therein. In furtherance of the foregoing, Seller represents and warrants that as of the Exchange Time, (a) no representation or warranty, express or implied, whether written or oral, as to the financial condition, results of operations, prospects, properties, or business of Topco Holding, LLC or as to the desirability or value of an investment in Topco Holding, LLC has been made to Seller by or on behalf of Topco Holding, LLC, except for those representations and warranties expressly

set forth in Article VI of this Agreement, (b) Seller has relied upon the Seller's independent appraisal and investigation and the advice of the Seller's own counsel, tax advisors, and other advisors regarding the risks of an investment in Topco Holding, LLC, and (c) Seller will continue to bear sole responsibility for making its own independent evaluation and monitoring of the risks of its investment in Topco Holding, LLC.

5.30 Accredited Investor. Seller, and each of its equity holders, is an "accredited investor" as such term is defined by Rule 501(a) promulgated under the Securities Act.

7.8 Change and Use of the Seller's Name. Prior to the Closing, the Seller shall have delivered to the Buyer (a) a duplicate original of a document, in form sufficient for filing, amending the Articles of Incorporation of the Seller to a name which, in the reasonable opinion of the Buyer, is sufficiently distinct from the Seller's current name so as not to be confused therewith and (b) a true, complete and correct copy, certified by the Secretary of the Seller, of the resolutions of the Seller's Board of Directors and Shareholder, authorizing and approving such change of name. **ARTICLE IX**  
**CERTAIN AGREEMENTS OF THE SELLER**

9.1 Confidential Information; Non-Competition.

(a) The Seller and Seller's Shareholder shall not directly or indirectly use or disclose any confidential or proprietary information relating to the Purchased Assets or the Purchased Business to any person, firm, corporation, association or other entity, nor shall the Seller or the Seller's Shareholder make use of any such confidential or proprietary information for its or his own purpose or for the benefit of any person, firm, corporate or other entity except the Buyer, the Seller and Seller's Shareholder hereby acknowledge that the Buyer would be irreparably damaged if such confidential knowledge of the Purchased Assets or the Purchased Business was disclosed to or utilized on behalf of others in competition in any respect with the Purchased Asset or the Purchased Business. For the purpose of this Section, the term "confidential or proprietary information" shall mean all information which is known to the Seller

or its respective affiliates or to their employees, former employees, consultants or others in a confidential relationship with the Seller and relates to matters such as trade secrets, research and development activities, books and records, catalogs, sample books, customer lists, suppliers, distribution channels, pricing information, private processes, formulae, functional specifications, blueprints, know-how, data, improvements, discoveries, designs, inventions, techniques, marketing plans, strategies, forecasts, new products and financial statements.

(b) Each of the Seller and Seller's Shareholder hereby acknowledges and recognizes the highly competitive nature of the Purchased Business and the business conducted by Buyer; and accordingly agree that, in consideration of the premises contained herein, the consideration to be received by the Seller hereunder, and to induce the Buyer to enter into this Agreement, he/ it will not, from and after the Closing until the fifth (5<sup>th</sup>) anniversary thereof, (i) directly or indirectly engage in, represent in any way or be connected with any business or activity in competition with the Purchased Business as conducted by the Seller immediately prior to the Closing, including, but not limited to, the manufacture, sale or distribution of aftermarket parts and accessories for golf cars, tractor engines or other aftermarket products distributed by Buyer, (a "Competitive Business") in any state, county and city in which the Purchased Business is conducted or has customers immediately prior to the Closing, whether such engagement shall be as an employer, officer, director, owner, employee, or partner, in any such position that could adversely impact the Purchased Business, (ii) assist others in engaging in any Competitive Business in the manner described in the foregoing clause (i), or (iii) induce employees of the Buyer to terminate their employment with the Buyer or engage in any Competitive Business; *provided, however*, that Seller and Seller's Shareholder may purchase or otherwise acquire up to (but not more than) five percent (5%) of any class of the securities of any Person (but may not otherwise participate in the activities of such Person) if such securities are listed on any national or regional securities exchange or are registered under Section 12(g) of the Securities Exchange Act of 1934.

(c) It is the desire and intent of the parties that the foregoing provisions of this Section 9.1 shall be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Section shall be adjudicated to be invalid or unenforceable, such provision shall be deemed amended to the maximum restriction which is enforceable and shall be enforced as so limited, such amendment to apply only with respect to the operation of such provision of this Section 9.1 in the particular jurisdiction in which such adjudication is made. In addition, in the event of a breach or threatened breach by the Seller of the provisions of this Section 9.1, the Buyer shall be entitled to an injunction restraining them or him, as the case may be, from such breach. Nothing herein contained shall be construed as prohibiting the Buyer from pursuing any other remedies available for such breach or threatened breach.

9.2 Use of Name. The Seller hereby covenants and agrees with the Buyer that it shall not allege or assert that the names "Madjax" and "Madjax, Inc." have not become distinctive and unique and have not obtained secondary meaning, identifying "Madjax" and "Madjax, Inc." as the source of goods associated with such name. The Seller and Seller's

Shareholder hereby recognize and acknowledge that it is proscribed by operation of law from, and undertakes in this Agreement as a matter of contract to refrain from, (a) owning any interest, directly or indirectly, in, or becoming associated with or otherwise lending any aid or support to, any entity (other than the Buyer) using the name "Madjax" and "Madjax, Inc." in a manner that is likely to cause confusion in the minds of ordinary purchasers, except on behalf of the Buyer. In connection therewith, it is agreed that the undertaking under this Section 9.2 is of a special and unique nature, the loss of which cannot be adequately compensated for in damages by an action at law, and that the breach or threatened breach of the provisions of this Section 9.2 would cause the Buyer irreparable harm. In the event of any such breach, the Buyer shall be entitled, as a matter of right, to injunctive and other equitable relief without waiving any other rights which it may have to damages or otherwise.

9.3 Option to Purchase Leased Real Property. Seller acknowledges and agrees that transfer of fee simple interest and title to the Leased Real Property is a material inducement to Buyer entering into the transaction contemplated in this Agreement. Seller further acknowledges and agrees that unless and until Buyer secures Option to Purchase the Leased Real Property from the Grady County (Georgia) Joint Development Authority, the sum of Leased Real Property Holdback shall be withheld from the Purchase Price. In the event that Buyer is unable to secure the Option to Purchase the Leased Real Property on terms acceptable to Buyer, as determined by Buyer in its sole discretion, Seller acknowledges and agrees that Buyer will withhold the Leased Real Property Holdback permanently, and the Purchase Price will be reduced by the amount of the Real Property Holdback.

## ARTICLE X SURVIVAL; INDEMNIFICATION

10.1 Survival. The representations and warranties of the parties contained in this agreement will survive the Closing and will remain in full force and effect for two (2) years thereafter; *provided, however,* that the representations and warranties set forth in (a) Section 5.17 "Tax Matters" and Section 5.25 "Environmental Matters" will survive for thirty (30) days after expiration of the relevant statute of limitations, giving effect to any extensions or waivers by Seller; and (b) Section 5.1 "Organization; Good Standing; Qualification and Power", Section 5.2 "Authorization", and Section 5.6 "Title to Assets, Properties, and Rights and Related Matters" will survive the Closing indefinitely. Any claim (whether or not fixed as to liability or liquidated as to amount) pending on the expiration date of the applicable survival period set forth above for which a claim notice has been given in accordance with this Article X on or before such expiration date may continue to be asserted and indemnified against until finally resolved.

### 10.2 Indemnification.

(a) By Seller and Seller's Shareholder. Subject to the limitations contained in this Article X, Seller and Seller's Shareholder jointly and severally agree to indemnify, save, hold harmless and defend Buyer and its officers, directors, principals, agents, employees or other authorized representatives, successors and assigns (the "Buyer Indemnified Persons"), from and against any and all costs, losses, liabilities, damages (but in all cases, excluding incidental,

special and consequential damages and lost profits), taxes, claims, demands, and expenses (whether or not arising out of third-party claims), and reasonable attorneys' fees and all amounts paid in investigation, defense or settlement of any of the foregoing ("Losses"), asserted, incurred in connection with, arising out of, resulting from or incident to:

(i) Any liabilities or obligations of the Seller (whether absolute, accrued, contingent or otherwise and whether a contractual, tax or any other type of liability, obligation or claim) not specifically assumed by the Buyer pursuant to this Agreement and the Assumption Agreement, as well as any acts or omissions of Seller relating to the operations, ownership, condition or conduct of Seller's business or the Purchased Assets prior to Closing, whether or not disclosed in any Annex, Exhibit or Schedule to this Agreement;

(ii) Any damages, losses, obligations, liabilities, claims, actions or causes of action sustained or suffered by the Buyer Indemnified Persons, or any of them, and arising from the breach, untruth or inaccuracy of any representation, warranty or any agreement of the Seller contained in or made pursuant to this Agreement (including the Annexes, Exhibits and Schedules attached hereto) or the Conveyance Instruments or in any certificate, instrument or agreement delivered by any of such parties pursuant hereto or thereto or in connection with the transaction contemplated hereby or thereby, or any facts or circumstances constituting any such breach, untruth or inaccuracy;

(iii) Any liabilities or obligations for or in respect of claims for brokerage or finders' fees arising out of this Agreement and the transactions contemplated hereby by any person claiming to have been engaged by the Seller or the Seller's Shareholder;

(iv) All reasonable costs and expenses (including, without limitation, reasonable attorneys', accountants' and other professional fees and expenses) incurred by the Buyer in connection with any action, suit, proceeding, demand, assessment or judgment incident to any of the matters indemnified against under Sections 10.2(a)(i) through (iv) hereof inclusive. No claim, demand, suit or cause of action shall be brought against the Buyer under or pursuant to this Section 10.2 unless the Buyer gives the Seller written notice, with reasonable specificity, of the existence of any such claim, demand, suit or cause of action under this Agreement. Upon the giving of such written notice as aforesaid, the Buyer shall have the right to commence legal proceedings for the enforcement of its rights under this Agreement.

Notwithstanding anything to the contrary set forth herein, and in addition to any other rights and remedies of Buyer, Buyer shall have the right to set off against, or deduct from, any amounts that shall be or become due and payable to Seller and/or Seller's Shareholder under any agreement, note or other instrument of indebtedness delivered in connection with this Agreement or otherwise, including without implied limitation, any employment or consulting agreement, the amount, or any portion thereof, of any claim for loss or damage (whether or not such claim shall have been finally adjudicated or

otherwise resolved) asserted by Buyer against Seller and/or Seller's Shareholder arising out of or otherwise in respect of any inaccuracy in any representation or warranty, or breach of any covenant or agreement of the Seller and/or Seller's Shareholder contained in this Agreement or in any document delivered pursuant to this Agreement.

(b) Indemnification By the Buyer. The Buyer shall indemnify and save the Seller harmless from, against, for and in respect of:

(i) Any and all liabilities and obligations specifically assumed by the Buyer pursuant to this Agreement and the Assumption Agreement;

(ii) Any damages, losses, obligations, liabilities, claims, actions or causes of action sustained or suffered by the Seller arising from the breach, untruth or inaccuracy of any representation, warranty or any agreement of the Buyer contained in or made pursuant to this Agreement (including the Annexes, Exhibits and Schedules attached hereto) or the Assumption Agreement or in any certificate, instrument or agreement delivered by the Buyer pursuant hereto or thereto or in connection with the transaction contemplated hereby or thereby, or any facts or circumstances constituting such breach, untruth or inaccuracy;

(iii) Any liabilities or obligations for or in respect of claims for brokerage or finders' fees arising out of this Agreement and the transactions contemplated hereby by any person claiming to have been engaged by the Buyer;

(iv) All reasonable costs and expenses (including, without limitation, reasonable attorneys', accountants' and other professional fees and expenses) incurred by the Seller in connection with any action, suit, proceeding, demand, assessment or judgment incident to any of the matters indemnified against under Section 10.2(b)(i) through (iv) hereof inclusive.

10.3 Rules Regarding Indemnification. The party claiming indemnification pursuant to Section 10.2(a) or 10.2(b) (the "Indemnified Party") will give prompt written notice to the party against which indemnification is sought under Sections 10.2(a) or 10.2(b) (the "Indemnifying Party") of any claim by such third party which might give rise to a claim by the Indemnified Party against the Indemnifying Party based on the indemnity agreements contained in Sections 10.2(a) or 10.2(b), stating the nature and basis of such claims and the amount, to the extent known. The failure to promptly notify the Indemnifying Party will relieve the Indemnifying Party of any liability that it may have to any Indemnified Party to the extent that the Indemnifying Party demonstrates that the defense of such action is prejudiced by the Indemnified Party's failure to give such notice. If, within thirty (30) days after receiving such notice or, if no notice is given, at such time as determined by the Indemnifying Party, the Indemnifying Party advises the Indemnified Party that the Indemnifying Party will conduct the defense of such third party claim at the Indemnifying Party's expense, then so long as such defense is being conducted, (a) the Indemnified Party will not settle or admit liability with respect to the claim without the consent of the Indemnifying Party, (b) the Indemnifying Party

will not be liable to the Indemnified Party for any fees or other counsel or any other expenses with respect to the defense of such claim, (c) the Indemnified Party will afford to the Indemnifying Party and defending counsel all reasonable assistance in defending the claims.

10.4 Limitation. Except as provided below, no claim will be brought, maintained or recovered for indemnification under Section 10.2(a) or 10.2(b) of this Agreement unless and until such claim or the aggregate of claims exceeds ~~the limit~~ (the "Basket") after which the full amount of such claims (including the first ~~claim~~) may be recovered. The aggregate liability for Buyer, on the one hand, and Seller, on the other hand, for indemnification under this Agreement will not exceed ~~the limit~~ (the "Cap"); provided, however, that any claim brought by Buyer against Seller, or Seller against Buyer, based on any of the following will not be subject to the Basket or Cap: (a) Excluded Obligations; (b) Section 3.5 "Dispute Resolution by the Parties"; (c) breach of Section 5.1 "Organization; Good Standing; Qualification and Powers," Section 5.2 "Authorization," Section 5.6 "Title to Assets, Properties and Rights and Related Matters," Section 5.17 "Tax Matters," and Section 5.25 "Environmental Matters"; and (d) breach of any of covenants provided pursuant to Section 9.1 or Section 9.2 of this Agreement. Any claim for indemnification brought by an Indemnified Party against Indemnifying Party, pursuant to Section 10.2(a), may be satisfied by return of the value of the Topco Units received by Seller as consideration pursuant to Section 3.1(b). For purposes of clarity, the Topco Units received by Seller as part of the Purchase Price, pursuant Section 3.1(b), shall be considered "escrowed property" and shall be available to Buyer for Seller's and Seller's Shareholder's satisfaction of a claim for indemnification brought by Buyer or an Indemnified Party through Buyer, but only for the period ending on the second anniversary of the Closing Date.

10.5 Payment of Insurance Proceeds. All proceeds of insurance (in excess of any applicable retroactive premium adjustments) relating to third party claims constituting Excluded Obligations shall, if and when received by the Buyer, be paid over to the Seller up to the amount (if any) equal to the amount that the Seller has previously paid to the Buyer in connection therewith pursuant to the provisions of this ARTICLE X.

10.6 Remedies Cumulative. The remedies provided for in this ARTICLE X shall be cumulative and shall not preclude assertion by the indemnified persons of any other rights or the seeking of any other remedies against the indemnifying persons.

#### ARTICLE XI AMENDMENT, MODIFICATION AND WAIVER

11.1 Amendment, Modification and Waiver. This Agreement shall not be altered or otherwise amended except pursuant to an instrument in writing signed by the Buyer and the Seller, except that any party to this Agreement may waive any obligation owed to it by another party under this Agreement. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

#### ARTICLE XII MISCELLANEOUS

12.1 Expenses; Transfer Taxes, Etc. Except as otherwise provided herein, all fees, costs and expenses incurred by the Seller in connection with, relating to or arising out of the execution, delivery and performance of this Agreement and the Conveyance Instruments and the consummation of the transactions contemplated hereby and thereby, including, without limitation, attorneys, accountants, appraisal and other professional fees and expenses, shall be borne by the Seller; and all fees and expenses incurred by the Buyer in connection with this Agreement and the Assumption Agreement shall be borne by the Buyer. The Seller shall pay all sales, use and excise taxes and all registration, recording or transfer taxes which may be payable in connection with the transactions contemplated by this Agreement.

No modification, amendment, waiver or release of any provision of this Agreement or of any right, obligation, claim or cause of action arising under this Agreement shall be valid or binding for any purpose unless in writing and duly executed by the party against whom the same is sought to be asserted.

12.4 Headings. The section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.
