## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“Assignment”), effective as of this 14th day of March, 2008 (“Effective Date”), is from Fingertip Formulary Limited Liability Company, a New Jersey limited liability company (“Assignor”), to Fingertip Formulary, Inc. (formerly known as FF/DRI Inc.), a Delaware corporation (“Assignee”).

WHEREAS, Assignor is the owner of the trademarks and trademark registrations listed in the attached Schedule A (the “Assigned Trademarks”).

WHEREAS, Assignee desires to acquire the Assigned Trademarks, and Assignor desires to assign the Assigned Trademarks to Assignee.

WHEREAS, Assignor and Assignee have entered into an Asset Purchase Agreement dated March 14, 2008, pursuant to which Assignee will acquire the Assigned Trademarks.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged:

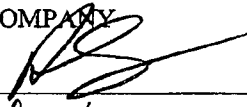

1. Assignor does hereby sell, assign and transfer to Assignee its entire worldwide right, title and interest in the Assigned Trademarks, together with the goodwill connected with and symbolized by the Assigned Trademarks, or to which the Assigned Trademarks pertain, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which said Assigned Trademarks are granted or reissued or extended as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, as assignee of its entire right, title and interest therein and in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto in and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned under this Assignment.
2. Assignee is successor to the Business of the Assignor, or the portion thereof to which the Assigned Trademarks pertain, which Business is ongoing and existing.
3. This Assignment is binding upon, and inures to the benefit of, the parties and their respective legal representatives, successors and assigns.
4. Assignor hereby requests the U.S. Commissioner of Patents and Trademarks and/or the applicable foreign authorities to record this Assignment, as to the Assigned Trademarks herein referred to.

5. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Assigned Trademarks.
6. All capitalized terms not otherwise defined in this Assignment, as used in this Assignment, will have the respective meanings set forth in the Asset Purchase Agreement dated as of March 14, 2008 (the "Agreement").
7. Notwithstanding anything to the contrary, this Assignment does not create, expand or restrict any representation or warranty regarding ownership of the Assigned Trademarks. Such representation or warranties are created, and only created, in the Agreement.
8. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligations imposed by this Assignment shall be governed by the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflict of laws.
9. Upon reasonable request by and at the expense of Assignee, Assignor will execute any and all additional documents and take other action as may be necessary or desirable to record or memorialize the assignments of the Assigned Trademarks set forth herein, in the United States or other foreign jurisdictions, as applicable, and to vest in Assignee such right, title, and interest in and to the Assigned Trademarks as granted to Assignee.

[Signatures on Following Page]

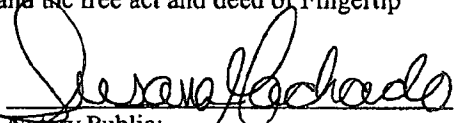

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed in duplicate originals by its duly authorized representative as of the day and year first above written.
