## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (the "Agreement"), dated as of February 14, 2016, is entered into by S.E. Markle, LLC, a California limited liability company ("Assignor").

### WITNESSETH:

WHEREAS, Assignee has acquired all right, title and interest in and to all trademarks, trademark registrations and pending trademark applications owned by the Assignor as identified in the attached Schedule A (collectively referred to as the "Trademarks"), and all goodwill of any business associated and connected therewith or symbolized thereby and by this instrument irrevocably assigns and transfers to Daft Labs, Inc., a Vermont corporation, its successors and assigns in perpetuity (the "Assignee") throughout the world all rights and interest in the Trademarks and the goodwill represented thereby; and

WHEREAS, the parties hereto wish to record the acquisitions of the Trademarks in the U.S. Patent and Trademark Office.

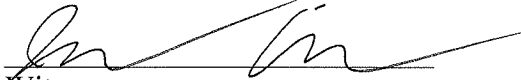

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

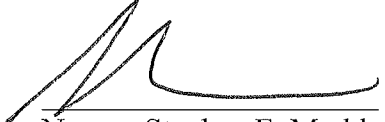

1. Assignor hereby irrevocably assigns and transfers to Assignee, its successors and assigns in perpetuity throughout the world all of Assignor's right, title and interest in and to the Trademarks and the applications for Trademark Registration listed in the attached Schedule A, the goodwill represented by said Trademarks, all proceeds therefrom, all administrative rights relating thereto, including, without limitation, the right to prosecute registration applications and oppose or seek to cancel third party registrations, and all choses-in-action pertaining thereto, including, without limitation, the right to bring an action at law or in equity for any infringement, dilution or violation of any of the Trademarks occurring prior to the date hereof, and to collect all damages, settlements and proceeds relating to the Trademarks.

2. Assignor agrees to provide all assistance reasonably requested by Assignee to fulfill the purposes of this Trademark Assignment, including executing further consistent assurances, confirmation, assignments, transfers, and releases, and providing good faith testimony by affidavit, declaration, deposition, or other means. If, for any reason, Assignee is unable, after reasonable effort, to secure Assignor's signature on any document needed to procure or perfect Assignee's interest in any of the Trademarks, Assignor hereby appoints Assignee as its attorney-in-fact, with full power of substitution, on behalf of the Assignor and for the benefit of Assignee, to execute and enter into any documentation relating to the Trademarks, to secure recordation or registration of the Trademarks and of this Trademark assignment, to demand and receive any and all of the Trademarks, to give receipts and releases for and in respect of the Trademarks, to institute and prosecute in the name of the Assignor any proceedings at law, in equity, or otherwise, and to take any other action that Assignee deems necessary or desirable to perfect or enforce its rights in the Trademarks. Assignor stipulates and agrees that such appointment is a right coupled with an interest and that such appointment will survive the incapacity or unavailability of the Assignor at any future time.

IN WITNESS WHEREOF, the undersigned has caused this Trademark Assignment to be signed by its duly authorized officer as of the date first written above.
