PATENT AND TRADEMARK SECURITY AGREEMENT

THIS PATENT AND TRADEMARK SECURITY AGREEMENT (this "Agreement") is made and entered into as of the 10 day of February, 2016, by HOBIE CAT COMPANY, a Missouri corporation (the "Debtor"), in favor of COMMERCE BANK (the "Secured Party").

WITNESSETH:

WHEREAS, the Debtor has executed and may hereafter execute in favor of Secured Party (f/k/a Commerce Bank, N.A.) one or more security agreements, including, without limitation, that certain Commercial Security Agreement dated as of February 14, 2005, as any of the same may from time to time be further amended, modified, extended, renewed, replaced, substituted and/or restated (individually and collectively, the "Security Agreement"; all capitalized terms used and not otherwise defined in this Agreement shall have the respective meanings ascribed to them in the Security Agreement), pursuant to which the Debtor has granted to the Secured Party a security interest in and lien on, among other things, all accounts, inventory, chattel paper, equipment, general intangibles, books and records now owned or hereafter acquired by the Debtor and all proceeds thereof; and

WHEREAS, Debtor desires to supplement the Security Agreement with this Agreement for the purpose of registering the security interest of the Secured Party in certain patents and trademarks owned by the Debtor; and

WHEREAS, in order to induce the Secured Party to now or hereafter lend or advance monies or otherwise extend credit to or on behalf of Debtor, and to better secure the Secured Party in respect thereof, the Debtor has agreed to execute and deliver this Agreement to the Secured Party;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby covenants and agrees with the Secured Party as follows:

1. Grant of Security Interest. For value received, the Debtor hereby grants the Secured Party a security interest in and lien on all of the Debtor's right, title and interest in, to and under the following, whether now owned or hereafter created, acquired and/or arising (collectively, the "Collateral");

(a) all patents and patent applications, and the inventions and improvements described and claimed therein, including, without limitation, each patent and patent application listed on Schedule A attached hereto and incorporated herein by reference and (i) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (ii) all income, damages and payments now and/or hereafter due or payable under or with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof and (iv) all rights corresponding thereto throughout the world (all of the foregoing patents and patent applications together with the items described in clauses (i) through (iv) of this subsection (a) are hereinafter collectively referred to herein as the "Patents");

(b) all trademarks, service marks, trademark or service mark registrations, trade names, trade styles, trademark or service mark applications and brand names, including, without limitation, common law rights and each mark and application listed on Schedule B, attached hereto and incorporated herein by reference; and (i) renewals or extensions thereof, (ii) all income, damages and payments now and/or hereafter due or payable with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof and (iv) all rights corresponding thereto throughout the world (all of the foregoing trademarks, trade names, service marks and applications and registrations thereof together with the items described in clauses (i) through (iv) of this subsection (b) are hereinafter collectively referred to herein as the "Trademarks");

(c) the goodwill of the Debtor's business connected with and symbolized by the Trademarks;
and

(d) all proceeds, including, without limitation, proceeds which constitute property of the types described in (a), (b) and (c) and any royalties, rents and/or profits of any of the foregoing items, whether cash or noncash, immediate or remote, and insurance proceeds, and any indemnities, warranties and guaranties payable by reason of loss or damage to or otherwise with respect to any of the foregoing items;

to secure (a) the Indebtedness and (b) the payment of any and all costs of collection, including, without limitation, reasonable attorneys' fees and expenses, incurred by the Secured Party upon the occurrence of any Event of Default under the Security Agreement, in collecting or enforcing payment of any such indebtedness, liabilities or obligations or in preserving, protecting or realizing on the Collateral under this Agreement or in representing the Secured Party in connection with any proceedings by, against or involving the Debtor under any bankruptcy or other insolvency laws (collectively, the "Secured Obligations").

2. Representations, Warranties and Covenants of the Debtor. The Debtor hereby represents and warrants to the Secured Party, and covenants and agrees with the Secured Party, that:

(a) Schedules A and B attached hereto, set forth all of the Debtor's patents, patent applications, patent rights, trademarks, trademark applications and trademark rights which are material to the business of the Debtor, other than those licensed from Hobie Brands International, L.C.;

(b) all of the Patents and Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and none of the Patents or Trademarks are at this time the subject of any challenge to their validity or enforceability;

(c) to the best of the Debtor's knowledge, each of the Patents and Trademarks is valid and enforceable;

(d) (i) no claim has been made that the use of any of the Patents or Trademarks does or may violate the rights of any third person, (ii) no claims for patent infringement have been commenced in connection with any of the Patents and (iii) no claims for trademark infringement have been commenced in connection with any of the Trademarks;

(e) the Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents and Trademarks, free and clear of any and all liens, charges and encumbrances, including, without limitation, any and all pledges, assignments, licenses, registered user agreements, shop rights and covenants by the Debtor not to sue third persons (other than liens in favor of the Secured Party);

(f) the Debtor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the registered Patents and Trademarks;

(g) the Debtor has the exclusive, royalty-free right and license to use the Patents and Trademarks and agrees not to transfer any rights or interest in any of the Patents or Trademarks during the term of this Agreement other than non-exclusive licenses in the ordinary course of Debtor's business; and

(h) the Debtor has no notice of any suits or actions commenced or threatened with reference to any of the Patents or Trademarks.

3. Product Quality. The Debtor agrees to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable practices.

4. Further Assurances. The Debtor hereby agrees that, until (a) all of the Secured Obligations shall have been fully, finally and indefeasibly paid in cash and (b) there shall be no remaining commitment or obligation of the Secured Party to advance funds, make loans or extend credit to, and/or issue letters of credit for the

account of, the Debtor, it will not, without the prior written consent of the Secured Party, enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with the Debtor's obligations under this Agreement or the Security Agreement and the Debtor agrees that it will not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to the Secured Party under this Agreement. The Debtor further agrees that at any time and from time to time, at the expense of the Debtor, the Debtor will promptly execute and deliver to the Secured Party any and all further instruments and documents and take any and all further action that the Secured Party may request in good faith in order to perfect and protect the security interest granted hereby with respect to the Patents and Trademarks or to enable the Secured Party to exercise its rights and remedies under this Agreement with respect to the same.

5. Additional Patents and/or Trademarks. If the Debtor (a) becomes aware of any existing Patents and/or Trademarks of which the Debtor has not previously informed the Secured Party, (b) obtains rights to any new patentable inventions, Patents and/or Trademarks or (c) becomes entitled to the benefit of any Patents and/or Trademarks which benefit is not in existence on the date of this Agreement, the provisions of this Agreement shall automatically apply thereto and the Debtor shall give the Secured Party prompt written notice thereof. Upon request of the Secured Party, the Debtor shall execute and deliver to the Secured Party one or more additional agreements in substantially the form of this Agreement with respect to such additional Patents and Trademarks.

6. Use of Patents and Trademarks. So long as no Event of Default under the Security Agreement has occurred and is continuing, the Debtor may use the Patents and Trademarks in any lawful manner not inconsistent with this Agreement on and in connection with products sold by the Debtor, for the Debtor's own benefit and account and for none other.

7. Rights and Remedies. The Debtor hereby further acknowledges and affirms that the rights and remedies of the Secured Party with respect to the assignment, pledge and security interest in the Patents and Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. The rights and remedies of the Secured Party with respect to the Patents and Trademarks are as provided by the Security Agreement and Related Documents, and nothing in this Agreement shall be deemed to limit such rights and remedies.

8. Expenses. Any and all fees, costs and expenses of whatever kind or nature, including, without limitation, the reasonable attorneys' fees and expenses incurred by the Secured Party in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or other amounts in connection with protecting, maintaining or preserving the Patents and/or Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents and/or Trademarks, shall be borne and paid by the Debtor on demand by the Secured Party.

9. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

10. Amendments. This Agreement is subject to amendment or modification only by a writing signed by the Debtor and the Secured Party.

11. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, except that the Debtor may not assign, transfer or delegate any of its rights, obligations or duties under this Agreement and any such assignment, transfer or delegation without the prior written consent of the Secured Party shall be null and void.

12. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the State of Missouri (without reference to conflict of law principles).

IN WITNESS WHEREOF, the Debtor has executed this Patent and Trademark Security Agreement as of the date first set forth above.
