### ARTICLE 1

#### DEFINITIONS

When used in this Agreement, the following terms shall have the following meanings. Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Note Purchase Agreement or the Security Agreement, as applicable.

“**Copyright License**” shall mean any written agreement or arrangement now or hereafter in existence granting to any of the Borrowers any right to use any Copyright; provided that there shall be excluded from the IP Collateral any Copyright License to the extent, and only to the extent, that such Copyright License contains a legally enforceable provision under the UCC that would give any other party to such agreement or instrument the right to terminate its obligations or otherwise precludes such encumbrance thereunder based on the grant of the security interest created herein pursuant to the terms of this Agreement (except that if and when any prohibition on the assignment, pledge or grant of Lien on such Copyright License is removed or such assignment, pledge or grant is consented to, the Lenders will be deemed to have been granted a

assignment, pledge or grant is consented to, the Lenders will be deemed to have been granted a security interest in such Patent License as of the date hereof or other earliest legally valid date, and the IP Collateral will be deemed to include such Patent License). In any event, the foregoing limitation shall not affect, limit, restrict or impair the grant by the Borrowers of a security interest pursuant to this Agreement in any accounts receivable or any money or other amounts due or to become due under such agreement or instrument.

### SECURITY INTEREST

**2.1 Security Interest.** As security for the payment and performance of the Obligations, each of the Borrowers hereby grants to the Lenders, a security interest in all of such Borrower’s right, title and interest, whether present, future or contingent, in and to all Intellectual Property of such Borrower, wherever located, whether now owned or existing or hereafter acquired (collectively, the “**IP Collateral**”). The Lenders agree with the undersigned Majority Lenders (as defined in that certain Note Purchase Agreement by and among the Borrowers and the lenders therein, dated as of June 4, 2014 (the “**June 2014 Note Purchase Agreement**”)) that the security interest granted herein shall be on a pari passu basis with the security interests granted under the June 2014 Note Purchase Agreement and granted under the security agreement and intellectual property security agreement executed in connection with the June 2014 Note Purchase Agreement, regardless of the timing of filings of any UCC financing statements. Each Lender agrees with the Majority Lenders (as defined in the Note Purchase Agreement) that such Lender will sign any applicable subordination agreement and/or intercreditor agreement reflecting the foregoing as reasonably requested by the Majority Lenders (as defined in the Note Purchase Agreement).

**2.2 Borrowers Remain Liable.** Notwithstanding anything contained to the contrary herein, the applicable Borrower shall remain liable under the contracts, agreements, documents and instruments included in the IP Collateral to the extent set forth therein and perform all of its duties and obligations thereunder and the exercise by the Lenders of any of their rights hereunder shall not release the applicable Borrower from any of its duties or obligations thereunder.

## ARTICLE 3

### REPRESENTATIONS AND WARRANTIES OF BORROWERS

Each Borrower represents and warrants, with respect to the IP Collateral, that:

**3.1 Authorization.** Such Borrower has the right and power and is duly authorized and empowered to enter into, execute, deliver and perform this Agreement and has taken all necessary action to authorize, deliver and perform its obligations under this Agreement. The execution and delivery of this Agreement does not: (a) require any consent of any Governmental Authority or (b) violate any provision of any indenture, contract, agreement or instrument to which such Borrower is a party or subject or by which it is bound.

**3.2 Perfection.** Upon filing of financing statements in the proper jurisdictions and the recordation of this Agreement with the proper Governmental Authorities in favor of Lenders, the security interest created hereby will constitute a valid and perfected Lien upon and security

interest in the IP Collateral to the extent that such filings or recordations are sufficient under applicable law to perfect such Lien with respect to the IP Collateral.

**3.4 Title; Proper Registration.** Such Borrower is the sole and exclusive owner (or an authorized licensee) of the entire right, title and interest in and to the IP Collateral attributed to such Borrower.

## ARTICLE 4

### COVENANTS OF BORROWERS

Each Borrower covenants as follows:

**4.1 Disposition or Encumbrance of IP Collateral.** Such Borrower will not encumber (other than Permitted Liens), sell or otherwise transfer or dispose of the IP Collateral without the prior written consent of the Majority Lenders except as such encumbrance, sale, transfer or disposition occurs in the ordinary course of such Borrower's business consistent with past practice or in connection with the payment of the Obligations in full in accordance with the Note Purchase Agreement.

**4.2 Protection of Collateral.** All expenses of protecting, prosecuting and making applications of such Borrower's IP Collateral, all costs of keeping such IP Collateral free and clear of any Liens prohibited by this Agreement and of removing the same if they should arise, and any and all excise, property, sales and use taxes imposed by any Governmental Authority on any of such IP Collateral or in respect of the sale thereof, shall be borne and paid by such Borrower and if such Borrower fails to promptly pay any thereof when due, the Lenders may, at the option of the Majority Lenders, (but shall not be required to), pay the same whereupon the same shall constitute Obligations and shall be secured by the security interest granted hereunder.

**4.3 Compliance with Laws.** Such Borrower will not use all or any part of such Borrower's IP Collateral, or knowingly permit such IP Collateral to be used, for any purpose in violation of any federal, state or municipal law.

**4.4 Notice of Default.** Immediately upon any officer of such Borrower becoming aware of the existence of any Event of Default hereunder, such Borrower will give notice to the Designee that such Event of Default exists, stating the nature thereof, the period of existence thereof and what action such Borrower proposes to take with respect thereto.

**4.5 Additional Documentation; Further Acts.** Such Borrower will execute from time to time, and authorizes the Majority Lenders (or any other person whom the Majority Lenders may from time to time designate, including the Designee) to execute and/or file from time to time as such Borrower's attorney-in-fact, such financing statements, assignments, and other documents covering the Collateral, as the Majority Lenders may reasonably request, make any proper domestic filings and take any other actions as the Majority Lenders deem necessary in order to create, evidence, perfect, maintain or continue their security interest in such Collateral

(including additional Collateral acquired by such Borrower after the date hereof), including, without limitation, filing this Agreement and any amendments thereto with the United States Copyright Office and the United States Patent and Trademark Office. Such Borrower will pay the cost of filing the same in all domestic public offices in which the Majority Lenders may deem filing to be appropriate and will notify the Lenders promptly upon acquiring any additional Collateral that may require an additional filing. If such Borrower shall obtain rights to or become entitled to the benefit of any Intellectual Property not identified herein, the provisions of this Agreement shall automatically apply thereto.

## ARTICLE 5

### RIGHTS AND REMEDIES ON DEFAULT

Upon the occurrence of an Event of Default, and at any time thereafter until such Event of Default is cured to the reasonable satisfaction of the Majority Lenders or waived by the Majority Lenders, and in addition to all other rights granted to the Lenders under the Transaction Documents, the Majority Lenders, in the sole discretion of the Majority Lenders, shall have, in addition to all other rights and remedies, the rights and remedies of a secured party under the UCC and any additional rights and remedies as may be provided by applicable law. Without limiting the foregoing, the Majority Lenders may exercise any one or more of the following rights and remedies upon the occurrence and during the continuation of an Event of Default:

**5.1 Application of Proceeds.** All proceeds of IP Collateral shall be applied to the Obligations in accordance with the Note Purchase Agreement and UCC.

**5.2 Collateral.** Upon the occurrence and during the continuance of an Event of Default:

(a) The Majority Lenders may, at any time and from time to time, upon thirty (30) days' prior notice to Borrowers, license or, to the extent permitted by an applicable license, sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Intellectual Property, throughout the world for such term or terms, on such conditions, and in such manner, as the Majority Lenders shall in their sole discretion determine, provided that any such license or sublicense shall preserve or reserve the right of the applicable Borrowers to use such Intellectual Property, royalty-free, after such Event of Default is cured or waived, or is otherwise discontinued;

(b) The Majority Lenders may (without assuming any obligations or liability thereunder), at any time exercise and enforce (and shall have the exclusive right to enforce) against any licensor, licensee or sublicensee all rights and remedies of the applicable Borrowers in, to and under any one or more Patent License, Trademark License, Copyright License or other agreements with respect to any Patent, Trademark or Copyright and take or refrain from taking any action under any such Patent License, Trademark License, Copyright License or other agreement, and each Borrower hereby releases each Lender from, and agrees to hold each Lender free and harmless from and

against, any claims arising out of, any action taken or omitted to be taken with respect to any such license or agreement, except in cases of gross negligence or willful misconduct;

(c) Any and all payments received by any Lender under or in respect of any Intellectual Property (whether from Borrowers or otherwise), or received by any Lender by virtue of agreement, shall be applied to the Obligations in accordance with the Note Purchase Agreement;

(d) The Majority Lenders may exercise in respect of the Intellectual Property, in addition to other rights and remedies provided for herein or in the other Transaction Documents or otherwise available to them, all the rights and remedies of a secured party under the UCC; and

(e) In order to implement the sale, lease, assignment, license, sublicense or other disposition of any of the Intellectual Property pursuant to this Section 5.2, the Majority Lenders (or any other person whom the Majority Lenders may from time to time designate) may, at any time, execute and deliver on behalf of the applicable Borrowers one or more instruments of assignment of any Intellectual Property (or any application or registration thereof), in form suitable for filing, recording or registration in any country. Each of the Borrowers agrees to pay when due all reasonable costs incurred in any such transfer of the Intellectual Property, including any taxes, fees and reasonable attorneys' fees.

## ARTICLE 6

### MISCELLANEOUS

**6.1 No Liability on IP Collateral.** It is understood that each Lender does not in any way assume any of any Borrower's obligations under any of the IP Collateral and Borrowers hereby agree to indemnify each Lender against all liability resulting from the applicable Borrower's obligations with respect to the IP Collateral, except for any such liabilities arising on account of any Lender's gross negligence or willful misconduct.

**6.2 Power of Attorney.** Upon the occurrence and during the continuance of an Event of Default, the Borrowers appoint the Majority Lenders, the Designee or any other person whom the Majority Lenders may from time to time designate, as each Borrower's attorney-in-fact with the power to, among other things: (a) endorse each Borrower's name on any checks, notes, acceptances, drafts or other forms of payment or security evidencing or relating to any of the IP Collateral that may come into the Lenders' possession; (b) sign Borrowers' names on any invoice or bill of lading relating to any of the Collateral, on drafts against customers, on notices of assignment, financing statements under the UCC and other public records, on verifications of accounts and on notices to customers; (c) notify the post office authorities to change the address for delivery of each Borrower's mail to an address designated by the Majority Lenders; (d) receive and open all mail addressed to any of the Borrowers; and (e) do all things necessary to carry out this Agreement. Each of the Borrowers ratifies and approves all acts of the attorney

taken within the scope of the authority granted herein. Neither the Lenders nor the attorney will be liable for any acts of commission or omission nor for any error in judgment or mistake of fact or law, except for any such liabilities arising on account of any Lender's gross negligence or willful misconduct. This power, being coupled with an interest, is irrevocable until the later of (i) the termination of this Agreement or (ii) all of the Obligations are paid in full. Each of the Borrowers waives presentment and protest of all instruments and notice thereof, notice of default and dishonor and all other notices to which any of the Borrowers may otherwise be entitled.

**6.3 Governing Law; Jurisdiction.** This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of the State of Arizona, except to the extent that the perfection of the security interests hereunder, or the enforcement of any remedies hereunder, with respect to any particular IP Collateral shall be governed by the laws of a jurisdiction other than the State of Arizona. Each of the Borrowers and each of the Lenders consent to the personal jurisdiction and venue of the state courts located in Maricopa County, Arizona in connection with any controversy related to this Agreement, and waives any argument that venue in any such forum is not convenient. EACH PARTY HERETO HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO REQUIRE A TRIAL BY JURY IN ANY COURT ACTION PERTAINING TO THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

**6.4 Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the successors and assigns of Borrowers and the Lenders.

**6.5 Severability.** Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

**6.6 Notices.** All notices or other communications hereunder shall be given in the manner and to the address set forth in the Note Purchase Agreement.

**6.7 Execution in Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

**6.8 Amendments and Waivers.** This Agreement may be amended or waived only with the written consent of the Borrowers and the Majority Lenders. No delay or omission on the part of the Lenders in exercising any right shall operate as a waiver of such right or any other right. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion.

**6.9 Remedies Cumulative.** All rights and remedies of the Lenders shall be cumulative and may be exercised singularly or concurrently, at the Lenders' option, and the exercise or enforcement of any one such right or remedy shall not bar or be a condition to the exercise or enforcement of any other.

**6.10 Termination and Release.** Upon termination of the Security Agreement and payment of all the Obligations in full, this Agreement shall automatically terminate, and the Lenders, at the request and expense of the Borrowers, will (a) promptly execute and deliver to the Borrowers the proper instruments acknowledging the termination of this Agreement, (b) duly assign, transfer and deliver to the applicable Borrowers (without recourse and without any representation or warranty of any kind) any IP Collateral in the possession of the Lenders and (c) record such termination in the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or governmental agency, subject to any disposition thereof which may have been made by the Lenders pursuant to this Agreement.
