TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of March 11, 2016 ("Trademark Security Agreement"), by E.J. BROOKS COMPANY, a New Jersey corporation and TELESIS TECHNOLOGIES, INC., an Ohio corporation (individually, a "Obligor", and, collectively, the "Obligors"), is in favor of BANK OF AMERICA, N.A, a United States national association located at 555 California Street, 4th Floor, CA4-705-04-09, San Francisco, CA 94104, attention: Aamir Saleem, in its capacity as Administrative Agent pursuant to the Credit Agreement (in such capacity, the "Administrative Agent").

W I T N E S S E T H:

WHEREAS, the Obligors are party to a Security and Pledge Agreement of even date herewith (the "Security Agreement") in favor of the Administrative Agent pursuant to which the Obligors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Obligor and the Administrative Agent hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement. For purposes of this Trademark Security Agreement, the term "Trademarks" shall mean (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and the goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof, or otherwise and (b) all renewals thereof.

SECTION 2. Grant of Security Interest in Trademark Collateral. To secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the Secured Obligations, each Obligor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in any and all right, title and interest of such Obligor in and to all of the following, whether now owned or existing or owned, acquired, or arising hereafter (collectively, the "Trademark Collateral"):

(a) all Trademarks of such Obligor, including, without limitation, the registered and applied-for Trademarks of such Obligor listed on Schedule I attached hereto; and

(b) to the extent not covered by clause (a), all Accessions and all Proceeds of any and all of the foregoing.

Notwithstanding anything to the contrary contained in clauses (a) and (b) above, the security interest created by this Trademark Security Agreement shall not extend to any Excluded Property.

SECTION 3. Security Agreement. The continuing security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the continuing security interest granted to the Administrative Agent pursuant to the Security Agreement and Obligors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the continuing security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security

Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

SECTION 4. Termination. This Agreement shall remain in full force and effect until the Facility Termination Date, at which time this Agreement shall be automatically terminated and (i) all rights to the Collateral shall revert to the applicable Obligors, all without delivery of any instrument or performance of or by any Person and the Collateral shall be automatically released from the Liens and Security Agreements created by this Agreement, and (ii) the Administrative Agent shall, upon the request and at the expense of the Obligors, execute and/or deliver all releases of intellectual property security interests and/or other documents reasonably requested by the Obligors evidencing such termination and release.

SECTION 5. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or other electronic imaging means (e.g., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

[Remainder of This Page Intentionally Left Blank.]

IN WITNESS WHEREOF, each Obligor has caused this TRADEMARK SECURITY AGREEMENT to be executed and delivered by its duly authorized officer as of the date first above written.
