between

GroupLogic, Inc.
1100 North Glebe Road
Arlington, VA 22201
USA

“GroupLogic”

and

Acronis International GmbH
Rheinweg 9
8200 Schaffhausen
Switzerland

“Acronis CH”

(GroupLogic together with Acronis CH, hereinafter the **“Parties”**, each a **“Party”**)

Whereas

- (A) On August 31, 2012, Acronis AG acquired 100% of the outstanding shares of GroupLogic.
- (B) GroupLogic is the owner of the GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products (as defined in Section 1 below) and wants to sell, transfer and assign them to Acronis CH.
- (C) Acronis CH wants to purchase and take over the GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products from GroupLogic with the exception of MASSTRANSIT, EXTREMEZ-IP, and ArchiveConnect.
- (D) The market value of the GroupLogic IP Rights, GroupLogic Technology and GroupLogic New Technology Products is estimated at _____ (the “**Fair Market Value**”) pursuant to an appraisal made by DLA Piper LLP in a report addressed to Acronis Group dated September 29, 2012.
- (E) The Parties therefore intend to have the intended sale, transfer and assignment of the GroupLogic IP Rights, GroupLogic Technology and GroupLogic New Technology Products governed by the terms and conditions of this IP sale and assignment agreement (the “**Agreement**”).

Now, therefore, the Parties agree as follows:

1. Definitions

- 1 “**GroupLogic IP Rights**” shall mean all worldwide intellectual property rights (“**IP Rights**”) relating to the GroupLogic Mobile Technology Products, including, without limitation, rights arising from or in respect of the following: (i) statutory invention registrations, patent applications and issued or granted patents, utility model applications and issued or granted utility models, including continuations, continuations-in-part, divisionals, provisionals and renewals, and all reissues, re-examination and extensions thereof and any patent or utility model restoration or extension period granted by any state, government or other public or quasi-public legal authority and all priority rights; (ii) the protection of proprietary and confidential information, trade and industrial secrets, and know how; (iii) all copyrights, copyrights registrations and applications therefore and all other rights corresponding thereto; (iv) all rights in industrial designs and any registrations and applications therefore; (v) all rights in World Wide Web addresses, URL’s and domain names and applications and registrations therefore, all trade names, logos, common-law and other trademarks and service marks, trademark and service-mark registrations and applications therefore and all goodwill associated therewith; (vi) “moral” and “economic” rights; and (vii) any corresponding or equivalent rights to any of the foregoing owned by GroupLogic.

2 **“Registered GroupLogic IP Rights”** shall mean any and all GroupLogic IP Rights, with the exception of MASSTRANSIT, EXTREMEZ-IP, and ArchiveConnect, that have been registered, applied for, filed, certified or otherwise perfected, issued, or recorded with or by any state, government or other public or quasi-public legal authority, including, without limitation:

- (i) all registered patents and patent applications, inventions, still to be filed as patents, trademarks and trademark applications owned by, or filed in the name of GroupLogic listed in Appendix 1 with the exception of MASSTRANSIT, EXTREMEZ-IP, and ArchiveConnect; and
- (ii) all of the registered domain names owned by, or filed in the name of GroupLogic listed in Appendix 2 with the exception of MASSTRANSIT, EXTREMEZ-IP, and ArchiveConnect;

3 **“GroupLogic Technology”** shall mean any or all of the following (i) works of authorship including, without limitation, computer programs, source code, and executable code, whether embodied in software, firmware or otherwise, architecture, documentation, designs, files, records, databases, and data, (ii) inventions (whether or not patentable), discoveries, improvements, and technology, (iii) proprietary and confidential information, trade secrets and know how, (iv) databases, data compilations and collections and technical data, (v) web sites, (vi) tools, methods and processes, and (vii) any and all instantiations or embodiments of the foregoing in any form and embodied in any media owned by GroupLogic.

4 **“GroupLogic Mobile Technology Products”** shall mean all work results and products (including products under development) made, provided, distributed or supported by GroupLogic, which use, incorporate, embed or otherwise utilize or practice the GroupLogic IP Rights or GroupLogic Technology, including, without limitation the products listed in Appendix 3.

2. **Sale, Transfer and Assignment of GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products**

5 GroupLogic agrees to sell, transfer and assign, and hereby sells, transfers and assigns, any and all of the GroupLogic IP Rights, including, with any limitation, except MASSTRANSIT, EXTREMEZ-IP, and ArchiveConnect, the Registered GroupLogic IP Rights, the GroupLogic Technology and the GroupLogic Mobile Technology Products, to Acronis CH, with all rights and obligations pertaining thereto.

6 Acronis CH agrees to purchase and take over, and hereby purchases and takes over, any and all of the GroupLogic IP Rights, with the exception of MASSTRANSIT, EXTREMEZ-IP, and ArchiveConnect, including without limitation, the Registered GroupLogic IP Rights, the

GroupLogic Technology and the GroupLogic Mobile Technology Products, from GroupLogic, with all rights and obligations pertaining thereto.

7 This transfer and assignment encompasses any and all rights, titles, claims, interests and entitlements in and to any and all of the GroupLogic IP Rights, including, without limitation, the Registered GroupLogic IP Rights, the GroupLogic Technology and the GroupLogic Mobile Technology Products, along with all goodwill associated therewith.

8 This transfer and assignment is unlimited and worldwide. It includes, but is not limited to, any rights to make, use, perform, exploit, copy, distribute, process, modify, amend, translate, prepare derivative works and compilations of the GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products, as well as decompile, reverse-engineer, etc. the GroupLogic Mobile Technology Products.

9 If and to the extent ownership to any right is not assignable under any applicable law, GroupLogic hereby grants to Acronis CH an exclusive, perpetual, irrevocable, fully paid-up, fully transferable and sublicensable, unrestricted license to use, make, perform, exploit, copy, distribute, process, modify, amend, translate, prepare derivative works and compilations of the GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products, as well as decompile, reverse-engineer, etc. the GroupLogic Mobile Technology Products.

3. Benefits and Risks

4. Benefits and risks with regard to the GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products shall pass to Acronis CH with effect on October 01, 2012 Undertakings of GroupLogic

10 GroupLogic shall promptly provide to Acronis CH all written materials, specifications, source and object codes, drawings, diagrams, formulae and other documents and information that constitute, contain or refer or relate to any of the GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products.

11 GroupLogic hereby irrevocably waives all non-assignable rights, namely all of its moral rights to the GroupLogic IP Rights, GroupLogic Technology and GroupLogic Mobile Technology Products, including, without limitation, the right to be named as author and the right to be named as inventor.

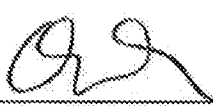

12 GroupLogic hereby undertakes, as and when requested by Acronis CH or its successors and assigns, to promptly notify, where applicable, the transactions contemplated hereunder to the competent authorities, such as patent and trademark offices and domain name registrars.

The undersigned parties have executed this Agreement as of the date set forth below their signature.
