**TRADEMARK ASSIGNMENT AGREEMENT**

3/11/2016

This Agreement is made on \_\_\_\_\_, 2016, by and between Earthy Delights, Inc., a corporation organized under the laws of the State of Michigan (“Assignor”) and BB&HC, LLC, a limited liability company organized under the laws of the State of Michigan (“Assignee”) (collectively the “Parties”). This Trademark Assignment Agreement (“Agreement”) will define the terms of the assignment of the EARTHY DELIGHTS and FORAGED FARE marks from Assignor to Assignee.

**RECITALS**

WHEREAS, Assignor is the sole and exclusive owner of the trademark applications or registrations for the marks identified more fully in the attached Schedule A (the “Trademarks”), and further is the sole and exclusive owner of all business goodwill related therewith; and

WHEREAS, Assignee desires to acquire all right, title, and interest in and to the Trademarks and all business goodwill related therewith;

NOW THEREFORE, in exchange for the mutual promises contained herein, and for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree to be legally bound to the terms of this Agreement.

- 1. **Assignment of Trademark Rights.** Be it known that in consideration of the payment by Assignee to Assignor and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers unto Assignee the full and exclusive entire right, title, and interest in and to the Trademarks, and the business goodwill associated therewith, including, without limitation, all renewals therefor, all proceeds therefor (including, but not limited to, all license royalties and proceeds of infringement suits), the right to sue for past, present, and future infringements, and the goodwill of the business associated with and symbolized by the Trademarks.
- 2. **Assignment of Goodwill.** The trademarks are being assigned in conjunction with the goodwill associated therewith, as well as with the right to sue for past, present, and future infringements. The Parties recognize and agree that an assignment of trademarks without the assignment of the associated goodwill would be invalid.

IN WITNESS WHEREOF, this Assignment has been duly executed on the day and year first above written.
