TRADEMARK, PATENT, & INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS TRADEMARK, PATENT, AND INTELLECTUAL PROPERTY SECURITY AGREEMENT (the "Agreement") is hereby made this 11th day of March, 2016 by and between LSC ENVIRONMENTAL PRODUCTS, LLC, a Delaware limited liability company ("**Debtor**"), and TERRA NOVO, LLC, a Delaware limited liability company (the "**Company**"¹) (collectively, "**Grantors**") and M&T BANK, a New York banking corporation ("**Secured Party**"), in favor of Secured Party.

WITNESSETH

WHEREAS, an EQUITY PURCHASE AGREEMENT dated March 11th, 2016 ("**EPA**"), has been executed and entered into, by and among Debtor as "Buyer," of the one part, and of TERRA NOVO, INC., a California corporation ("**Parent**"), Scott Harrison (the "**Shareholder**") and Company, of the other part;

WHEREAS, prior to the execution of the EPA, (a) Parent had owned one hundred percent (100%) of the issued and outstanding membership interests (the "**Membership Interests**") of the Company, a wholly-owned subsidiary of Parent (all of the Membership Interests of the Company referred to herein as, "**Company Equity**"), and (b) the Shareholder had owned one hundred percent (100%) of the capital stock of Parent (all of the capital stock of Parent referred to herein as, "**Parent Stock**");

WHEREAS, prior to the EPA Closing (as defined in the EPA) and as more particularly described in the EPA: (1) the Company was formed; and (2) Parent contributed one hundred percent (100%) of its assets and liabilities to the Company in exchange for one hundred percent (100%) of the Company Equity;

WHEREAS, pursuant to said executed EPA, Parent sold to Debtor as Buyer, and Debtor as Buyer purchased, all of the Company Equity;

WHEREAS, Secured Party has extended a loan to Debtor pursuant to the terms and conditions of a certain promissory note dated the date hereof made by Debtor in favor of Secured Party wherein Debtor is borrowing from Secured Party the original principal amount of \$2,500,000.00 (as same may be amended, restated, supplemented, or modified from time to time, the "**Note**");

WHEREAS, Grantors have entered into certain General Security Agreement(s) in favor of Secured Party dated the date hereof (as the same may be amended, modified, supplemented, renewed, extended, or restated from time to time the "**Security Agreement**"; all terms defined in the Security Agreement, wherever used herein, shall have the same meanings as are prescribed by the Security Agreement, except as otherwise defined herein);

WHEREAS, pursuant to the terms of the Security Agreement and pursuant to this Agreement, Grantors have granted to Secured Party liens and security interests in certain assets and all general intangibles of Grantors, including, without limitation and among other things, all rights, title, and interest

¹ For the avoidance of doubt, the Parties acknowledge that the "Company" shall include all predecessors, including the Parent.

of Grantors in, to and under, arising out of, or associated with (including but not limited to contract rights, distribution rights, foreign rights, goodwill, licensing rights, proceeds and income, receivables, and the right to sue for past, present, and future infringement or dilution) all now owned or hereafter acquired or created copyrights, domain names, patents, trade secrets, servicemarks and trademarks (collectively “**Trademarks**”), all related licenses, together with the goodwill of the business symbolized by each of the same, and all products and proceeds thereof, to secure the performance of the Obligations of Debtor under the Note;

WHEREAS, Debtor is the registrant and/or owner of record of the copyrights and copyright applications listed on the attached **Schedule A**, patents and patent applications listed on the attached **Schedule B**, the Trademarks and Trademark applications listed on the attached **Schedule C**, and the domain names listed on the attached **Schedule D**;

WHEREAS, Company is the registrant and/or owner of record of the copyrights and copyright applications listed on the attached **Schedule E**, patents and patent applications listed on the attached **Schedule F**, the Trademarks and Trademarks applications listed on the attached **Schedule G**, and the domain names listed on the attached **Schedule H**;

WHEREAS, it is a condition to the advance of the principal amount of the Note by Secured Party that Grantors execute and deliver this Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors agree as follows:

1. **Incorporation of Note.** The Note and the terms and provisions thereof are hereby incorporated in their entirety by this reference. Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to them in the Security Agreement.
2. **Grant and Reaffirmation of Grant of Security Interests.** To secure the payment and performance of the Obligations under the Note, Grantors hereby grant to Secured Party, and hereby reaffirms its grant pursuant to the Note and Security Agreement, a continuing security interest in all of Grantors’ rights, title, and interest in, to and under, arising out of, or associated with (including but not limited to contract rights, distribution rights, licensing rights, foreign rights, goodwill of the business, proceeds and income, receivables, and the right to sue for any claim by Grantors against third parties for past, present, and future infringement, dilution, breach of a license, or injury to the goodwill described below) the following, whether now owned or presently existing or hereafter created, acquired, or arising:

(i) all copyrights, copyright registrations, copyright applications, and copyright licenses, and all other corresponding rights, whether the same are domestic, international, or foreign, throughout the world, including, without limitation and not limited to, each registered copyright, copyright application, and copyright license referred to in **Schedule A** or **Schedule E**;

(ii) all patents, patent applications, patent licenses, and all other corresponding rights, whether the same are domestic, international, or foreign, throughout the world, including, without limitation and not limited to, each patent, patent application, and patent license referred to in **Schedule B** or **Schedule F** annexed hereto;

(iii) all Trademarks, Trademark applications, and Trademark licenses, names, brand names, company names, fictitious names, trade names, product names, slogans, and all designs related thereto whether the same are domestic, international, or foreign, throughout the world, including, without limitation and not limited to, each of the foregoing referred to in **Schedule C** or **Schedule G** annexed hereto, and all domain names, registered domain names, domain name registrations or licenses, websites and all designs related thereto, and all social media pages and accounts, throughout the world, including, without limitation and not limited to, each of the foregoing referred to in **Schedule D** or **Schedule H** annexed hereto, and all associated goodwill of the business connected with the use of and symbolized by the trademark or service mark or any of the foregoing, throughout the world;

(iv) all of the foregoing together with any and all continuations, continuations-in-part, divisions, extensions, modifications, provisionals, reissues, renewals, or substitutions thereof, as applicable;

(v) all trade secrets and inventions (whether patentable or not), and all algorithms, analyses, client and customer lists, codes, concepts, data, data collections, databases, designs, discoveries, drawings, formulas, ideas, invention disclosures, improvements, and information contained in submissions to, and information from, regulatory authorities, and know-how, laboratory records, methods, methodologies, modifications, patterns, plans, procedures, processes (including manufacturing processes, specifications and techniques), product rights, programs, proprietary information, prospect lists, prototypes, reports, research development, research plans, software (both source and object code), summaries, technical data, techniques, technology, tests, results, and other proprietary information, and all documentation relating to any of the foregoing;

(vi) the goodwill of the business connected with the use of and symbolized by any of the foregoing, and all moral and economic rights of authors and inventors, or any similar or equivalent rights to any of the foregoing or other intangible asset throughout the world; and

(vii) all products and proceeds of the foregoing, including any claim by Grantors against third parties for past, present or future (a) infringement, dilution, or breach with respect to any copyright, trademark, servicemark, patent, or a related application or license; or (b) injury to the goodwill associated with any trademark, servicemark, or application for either of the same (the collateral listed in this Section 2, hereafter, the “**Collateral**”).

The liens and security interests contained in this Agreement are granted in conjunction with the liens and security interests granted to Secured Party pursuant to the Security Agreement(s).

Grantors hereby acknowledge and affirm that the rights and remedies of Secured Party with respect to the liens and security interests in the Collateral made and granted hereby are further set forth in the Note and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

3. Covenants.

(a) Grantors will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license, or otherwise dispose of any of the Collateral, without prior written consent of Secured Party.

(b) Grantors will not do any act, or omit to do any act, whereby the Collateral or any registration or application appurtenant thereto, may become abandoned, invalidated, unenforceable, avoided, avoidable, or will otherwise diminish in value, and shall notify Secured Party immediately if it knows of any reason or has reason to know of any ground under which this result may occur. Grantors shall take appropriate action at its expense to halt the infringement of the Collateral.

4. Representations and Warranties. Grantors hereby represent and warrant that the registered copyrights and copyright applications referred to in **Schedule A** or **Schedule E**, the patents and patent applications and/or licenses referred to in **Schedule B** or **Schedule F**, the Trademarks, Trademark applications, and/or licenses referred to in **Schedule C** or **Schedule G**, and the registered domain names and domain name registrations and/or licenses referred to in **Schedule D** or **Schedule H** attached hereto constitute all of the same owned, registered, and/or licensed to **Grantors** as of the date of this Agreement.

5. Indemnification.

Grantors assume all responsibility and liability arising from the use of the Collateral, and Grantors hereby indemnify and hold Secured Party harmless from and against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees) arising out of Grantors' operations of their business from the use of the Collateral.

6. Execution of Power of Attorney. Concurrently with the execution and delivery hereof, Grantors shall execute and deliver to Secured Party, in the form of attached hereto, ten (10) originals of a Power of Attorney.

7. No Waiver. No course of dealing between Grantors or Secured Party, nor any failure to exercise, nor any delay in exercising, on the part of Secured Party, any right, power or privilege hereunder or under the Note, Security Agreement, or this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power, or privilege.

8. Cumulative Remedies. All of Secured Party's rights and remedies with respect to the Collateral, whether established hereby or by the Note, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

9. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

10. No Modification Except in Writing. Except as provided in **Section 6**, no amendment or waiver of any provision of this Agreement shall be effective unless the same shall be in writing executed by the parties hereto.

11. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of Grantors and Secured Party, all future holders of the Obligations and their respective successors and assigns, except that Grantors may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of Secured Party.

12. Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of New York.

13. Headings & Construction. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. Whenever required by the context, any gender shall include any other gender, the singular shall include the plural and the plural shall include the singular. The words “herein,” “hereof,” “hereunder,” and words of similar import refer to the Agreement as a whole and not to a particular article, section, or other provision hereof, except as otherwise specified. The term “Section,” unless otherwise specified, refers to the specified Section of this Agreement. The term “including” (and with correlative meaning, “include”) means including without limiting the generality of any description preceding such term.

14. Counterparts. This Agreement may be executed by the parties hereto in one or more counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same agreement.

15. Termination. This Agreement shall continue in effect until all of the Obligations are indefeasibly paid and satisfied in full and the Note is terminated.
