TRADEMARK

TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (the "Assignment") is effective as of February 11, 2016 (the "Effective Date"), by and between Magnitude Intermediate, LLC, a Delaware limited liability company (the "Assignor"), and MedAssets Net Revenue Systems, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignee desires to acquire from Assignor, and Assignor desires to transfer to Assignee, rights to certain trademarks held by Assignor;

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby irrevocably and unconditionally assigns, transfers and conveys to Assignee all of its right, title and interest in and to the trademarks set forth on Schedule A hereto, together with the right to file for and obtain registrations for any of the foregoing, the right to bring an action at law or in equity for any infringement, dilution or other unauthorized use of the foregoing prior to the Effective Date, and the right to collect all damages and proceeds therefrom (collectively, the "Assigned Marks"). Assignee shall hold all right, title and interest in and to the Assigned Marks as fully and exclusively as same would have been held and enjoyed by Assignor had the above assignment not been made.

2. At Assignee's request and expense, Assignor will take such further actions and execute promptly such further documents as are reasonably necessary to transfer, vest, record and perfect good, valid and marketable title to and rights in the Assigned Marks in Assignee. Assignor hereby authorizes Assignee to request the relevant registrars, registries and government entities and offices to record this Assignment and take all other necessary and desirable actions to further the intents and purposes of the Assignment.

3. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware. Any dispute relating to this Assignment shall be resolved solely in the state or federal courts located in Delaware.
