RELEASE AND DISCHARGE

TO: CANADIAN GENERAL-TOWER LIMITED (the "Borrower")

AND TO: TEXTILEATHER CORPORATION and CGT HOLDINGS LIMITED (the "Guarantors", and together with the Borrower, the "Obligors")

AND TO: MILLER THOMSON LLP

DATED: APRIL 26, 2013

RE: Loan Agreement dated March 20, 2009 (as amended, modified, supplemented, extended, renewed, restated or replaced, the "Loan Agreement") between the Borrower, the Guarantors and Export Development Canada, as Lender ("EDC")

1. EDC hereby acknowledges receipt of the payment made by the Borrower on April 17, 2013 in the amount of CAD 7,525,479.45 constituting payment in full of all of the Obligors' indebtedness, liabilities and obligations to EDC under or in connection with the Loan Agreement.
2. EDC hereby:
 - (a) releases all security interests, mortgages, charges, hypothecs, liens, claims, other encumbrances, security agreements and guarantees, including, without limitation, any rights relating to such security interests, mortgages, charges, hypothecs, liens, claims, other encumbrances, security agreements and guarantees granted by the Obligors in respect of the indebtedness, liabilities and obligations under or in connection with the Loan Agreement (collectively, the "Security");
 - (b) releases any interest it may hold in any insurance policies of the Obligors; and
 - (c) acknowledges that all of its agreements (including, without limitation, the Loan Agreement) with the Obligors in respect of the indebtedness, liabilities and obligations under or in connection with the Loan Agreement (collectively, the "Loan Agreements") have terminated and no Obligor has any further indebtedness, liabilities and obligations thereunder.
3. Notwithstanding anything to the contrary stated herein, any discharge or release between EDC and the Obligors hereunder shall be conditional upon no payment made to EDC being avoided or set aside or ordered to be refunded or reduced by operation of laws relating to bankruptcy, insolvency or liquidation for the time being in force. In the event that any payment received by EDC from the Obligors is so avoided or set aside or refunded or reduced, such amount shall be deemed not to have been received by EDC and

shall remain subject to the guarantees, indemnities and other provisions of the Security and the Loan Agreements.

4. EDC hereby authorizes and directs the law firm of Miller Thomson LLP, and any agents appointed by them (including, for certainty, any law firm or agents in the United States in connection with Security in such country), at the sole cost and expense of the Obligors, to proceed with the discharge of the Security, including, without limitation, the electronic discharge of any financing statements or other registrations in respect of the Security.
5. EDC further agrees after the date hereof to execute and deliver to the Obligors, at the Obligors' cost and expense, such other termination statements, financing change statements, releases, discharges or other agreements, as the Obligors may request, in connection with the above release and termination of the Security and the Loan Agreements.
6. Each Obligor and their respective affiliates, officers, directors and employees hereby releases EDC from any and all actions, causes of action, suits, debts, duties, accounts, bonds, covenants, contracts, claims and demands whatsoever, which it now has or may hereafter have against EDC and which arise from or are related in any manner to the Loan Agreements and the acts and omissions of EDC or any of its affiliates, officers, directors, employees or agents (collectively, the "**Releasees**") in connection therewith, except those claims or actions which a court of competent jurisdiction determines are to have resulted from any Releasee's gross negligence or willful misconduct.
7. This agreement shall be construed and governed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.
8. This agreement may be executed and delivered by the parties in one or more counterparts, each of which when so executed and delivered will be an original and such counterparts will together constitute one and the same agreement. Delivery of this agreement by facsimile or other electronic transmission constitutes valid and effective execution and delivery.
