**AMENDED AND RESTATED SECOND LIEN
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

THIS AMENDED AND RESTATED SECOND LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is entered into as of December 11, 2015, by ABT MOLECULAR IMAGING, INC., a Delaware corporation ("Grantor").

RECITALS

A. Grantor entered into a Second Lien Intellectual Property Agreement in favor of SWK FUNDING, LLC, on December 4, 2015 (the "Existing Agreement").

B. Grantor has determined that the Intellectual Property Collateral set forth in the Existing Agreement is not complete; accordingly, Grantor desires to amend and restate the terms of the Existing Agreement in its entirety as stated herein.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Credit Agreement, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Credit Agreement to Agent, Grantor grants and pledges to Agent a second lien security interest in all of Grantor's right, title and interest in, to and under its intellectual property (including without limitation those copyrights, patents and trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This second lien security interest is granted in conjunction with the security interest granted to Bank. The rights and remedies of Agent with respect to the security interest granted hereby are in addition to those set forth in the Credit Agreement and those which are now or hereafter available to Agent as a matter of law or equity. Each right, power and remedy of Agent provided for herein or in the Credit Agreement, or now or hereafter existing at law or in equity, shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Agent of any one or more of the rights, powers or remedies provided for in this Second Lien Intellectual Property Security Agreement, the Credit Agreement or any other agreement, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Creditor, of any or all other rights, powers or remedies.

Grantor represents and warrants that Exhibits A, B and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

IN WITNESS WHEREOF, Grantor has caused this Second Lien Intellectual Property Security Agreement to be duly executed by an officer thereunto duly authorized as of the first date written above.
